GUIDELINES TO FILL THE VACANT SEATS DURING INSTITUTIONAL SPOT ADMISSIONS

In any category (OC/BC/SC/ST/NCC/SP/CAP) seats, which are earmarked for women candidates, are to be offered first to women candidates only. If women candidates are not available in that category then the seats are to be offered to male candidates. The women candidates are also eligible to opt for male seats (General seats) in the combined rank order in any category (OC/BC/SC/ST/NCC/SP/CAP) when their own 1/3 quota of seats are completely filled.

If candidates (male/women) are not available in one reservation category, the seats are to be offered to the next reservation category as mentioned below.

Example: 1. BC-A (Girl)
$$\longrightarrow$$
 BC-A (Boy) \longrightarrow BC-B (Girl) \longrightarrow BC-D (Boy) \longrightarrow BC-D (Girl) \longrightarrow BC-D (Boy) \longrightarrow BC-D (Girl) \longrightarrow BC-D (Girl) \longrightarrow BC-B (Girl) \longrightarrow BC-B (Girl) \longrightarrow BC-B (Girl) \longrightarrow BC-B (Girl) \longrightarrow BC-D (Girl) \longrightarrow BC-D (Girl) \longrightarrow BC-E (Boy) \longrightarrow BC-E (Girl) \longrightarrow BC-D (Girl) \longrightarrow BC-E (Girl) \longrightarrow BC-E

(The cycle is to be completed for each category before diverting the seats to "Open Competition" (OC) in each region (Local area). Diversion of "BC" category seats from one region to other regions due to non-availability of candidates in that region is not permitted.)

Example: 3.
$$SC (Girl) \longrightarrow SC (Boy)$$

The cycle is to be completed before allotting the "SC" category seats to the "SC" candidates of the other two local areas in combined rank order if candidates are not available in that local area.

a. If "ST" candidates are not available in one local area, the seats are to be allotted to "ST" candidates of the other two local areas in the combined rank.

- b. If "ST" candidates are not available in any local area then the "ST" seats of each local area are to be allotted to "SC" candidates of the same local area in the combined rank order.
- c. If "SC" candidates are not available in one local area the seats are to be offered to "SC" candidates of the other two areas in the combined rank.
- d. If "SC" candidates are not available in any local area then the seats are to be offered to "ST" candidates of the same local area in the order of merit.
- e. If "ST" and "SC" candidates are not available in any local area then the seats are to be diverted to "OC" (Open Competition) of the concerned Local area and filled.

In case of special (PH, NCC, SG, CAP) reservation seats, first the seats are to be offered to the candidates (male/female) as per the category of seats earmarked. If candidates are not available in one particular "PH" category the seats are to be allotted to the other "PH" category in the following order.

The cycle is to be completed before diverting them to the general reservation category candidates (Male/Female).

Example: 1. OC (Boy) PHV
$$\longrightarrow$$
 PHHI \longrightarrow PHO \longrightarrow PHHI OC (Boy)

Example: 2. OC (Girl) PHV \longrightarrow PHHI \longrightarrow PHO \longrightarrow PHV \longrightarrow PHHI \longrightarrow OC (Girl) Example: 3. BC-B (Boy) PHV \longrightarrow PHHI \longrightarrow PHO \longrightarrow PHV \longrightarrow PHHI \longrightarrow BC-B (Boy) Example: 4. BC-B (Girl) PHV \longrightarrow PHHI \longrightarrow PHO \longrightarrow PHV \longrightarrow PHHI \longrightarrow BC-B (Girl)

The above procedure is to be followed for "PH" seats in all reservation categories (OC; BC-A/B/C/D; SC; ST). Diversion of the special category seats from one category to other category and one local area to other local areas due to non-availability of candidates is not allowed. Candidates with more than 40% disability are only eligible for allotment of seat under "PH" category. The "PH" certificate is to be issued by the District Medical Board Constituted by the Government of Andhra Pradesh/Telangana state as the case may be.

In case of non availability of candidates in the concerned category, the seat is to be diverted its main category,

Example: unfilled BCB-Girl-CAP is to be diverted to BCB-Girl.

When general reservation (BC/SC/ST) and special reservation category (NCC/SP/CAP) seats are diverted to open competition (OC) due to non availability of candidates in a particular local area and there are no takers for these seats (OC seats) in that local area then only these "OC" seats (General reservation/special reservation seats diverted to "OC") are to be filled by the candidates of the other two local areas in the combined merit order treating them as UNR (UNRESERVED) "OC" Seats.
