MAJHIGHARIANI INSTITUTE OF TECHNOLOGY & SCIENCE (MITS)

Majhighariani Institute of Technology & Science (MITS) Sriram Vihar, Rayagada - 765017, Odisha, India. Represented by its Principal (hereinafter refer to as "MITS", which expression shall, unless repugnant to the context or meaning thereof, mean & include its successors & assigns) being the part of first party.

This institution was founded as a co-educational establishment and holds affiliation with BPUT, Odisha. In this agreement, the term "ASIST" and "MITS" will henceforth, as context demands, be referred to individually as a "party" and collectively as the "parties."

And

AMRITA SAI INSTITUTE OF SCIENCE AND TECHNOLOGY (ASIST)

Amrita Sai Institute of Science and Technology (ASIST) was established in the year 2007 by Amrita Sai Educational Improvement Trust and It is an Autonomous institution with an NAAC "A" grade. Amrita Sai college is a self-financing institution approved by the All India Council for Technical Education (AICTE) and is permanently affiliated to Jawaharlal Nehru Technological University, Kakinada. Amrita Sai is also having UGC 2f and 12B recognitions and NSIC, PMKVY franchise centers. Amrita Sai campus has an excellent infrastructure built in an area of 10.39 acres. Apart from the existing undergraduate and postgraduate courses, Amrita Sai had introduced advanced technology courses for B.Tech CSE students and specialized training programs (Open Electives) for non-CSE students

Whereas:

- a. **ASIST** is engaged in service of Engineering & Technical Education with college name referred as Amrita Sai Institute of Science and Technology (ASIST) in the Paritala, Kanchincherla Mandal, Krishna Andhra Pradesh
- b. **MITS** is engaged in service of Engineering & Technical Education with college name referred as Majhighariani Institute of Technology & Science, Rayagada, Odisha

I. OBJECTIVES OF MOU:

1. To promote & enhance academic interest between MITS and **ASIST**
2. To provide advice for implementation of quality of education between MITS and **ASIST**
3. To promote research/continuing education activities between parties
4. To give guidance for quality improvement, leading to accreditation by NAAC as mentor – mentee institutes
5. Access to Information on research /education resources
6. Technical support in projects related to science and management from senior faculty or experts.

II. TECHNICAL AREAS OF COLLABORATION:

- A. A continuing quality improvement Programme to improve quality of teaching staff in both parties.
- B. Providing academic interaction by delivering special lectures at both institutes on topics of relevance to modern industry.

- C. Provide necessary helps in organizing workshops, conferences and personality development programs at both parties for enhancement of skills in respect of faculty, staff and students.
- D. To provide training programs for Students & Staff.

III. TERMS & CONDITIONS:

1. The cost of development of infrastructure at both parties should be borne by themselves.
2. Both parties agreed to help identify and invite the faculty members & researchers from the other institutes to participate in conferences, workshops and short-term courses.
3. This MOU may be amended, removed and terminated by mutual written agreement of the parties at any time.

A. CONFIDENTIALITY:

The **MITS** and **ASIST** agreed to hold in confidence all information/data designated by the parties as being confidential which is obtained from either party or created during the performance of MOU and will not disclose the same to any third party without written consent of the other party.

B. TENURE AND TERMINATION

This MOU will take effect from the date it is signed by representatives of the two institutions. The validity of the agreement is one year from the date of agreement. Either institution may terminate the MOU by giving written notice to the other institution 30 days in advance. However, **MITS** and **ASIST** will ensure that all activities in progress are allowed to complete successfully.

This **MOU** is signed subject to approval of the respective academic/administrative bodies.

IN WITNESS WHEREOF THE PARTIES HAVE EXECUTED THIS MOU AS OF THE DAY AND YEAR FIRST ABOVE WRITTEN:

MEMORANDUM OF UNDERSTANDING

This Memorandum of Understanding (hereinafter called as the 'MOU') is entered into on 20/6/2022 of by and between PURPOSE OF MOU

GUNTUR ENGINEERING COLLEGE, YANAMADALA, AP
AND
AMRITA SAI INSTITUTE OF SCIENCE & TECHNOLOGY

In particular, this MOU is intended to

1. Enhance entrepreneurial mindsets among the students of Entrepreneurship Development certificate course under Community College, GUNTUR ENGINEERING COLLEGE ,AP
2. To facilitate the participation of faculty members and students of both the institutions in the FDPs, workshops and seminars, both National and International Conferences conducted by either institution.
3. Conduct practical trainings on Entrepreneurship Development
4. Generate self-employment opportunities
5. Assist the students in establishing various start-ups
6. Arrange the placement of trained students

NOW THEREFORE, IN CONSIDERATION OF THE MUTUAL PROMISES SET FORTH IN THIS MOU, THE PARTIES HERETO AGREE AS FOLLOWS:

Clause 1

CO-OPERATION

- 1.1 Both parties are united by common interests and objectives, and they shall establish channels of communication and co-operation that will promote and advance their respective operations. The parties shall keep each other informed of potential opportunities and share all information that may be relevant to secure additional opportunities for one another.

IQAC Coordinator
Amrita Sai Institute of Science & Technology
Amrita Sai Nagar, Paritala - 521 102

1.2 The co-operation between First Party and Second Party will facilitate effective utilization of the intellectual capabilities of the Second Party providing significant inputs to them in developing suitable teaching/ training systems, keeping in mind the needs of the First Party.

Clause 2

SCOPE OF THE MOU

2.1 Both parties believe that close co-operation between the two would be a major benefit to the student community to enhance their skills and knowledge.

2.2 The Second Party will give valuable inputs to the First Party in teaching/ training methodology so that the students fit into the industrial scenario meaningfully.

2.3 The interaction between Industry and Community College Centre will give an insight into the latest developments /requirements of the industries; the Second Party to permit the Faculty and Students of the First Party to visit its group companies and also involve in Industrial Training Programs for the First Party. The industrial training and exposure provided to students through this association will build confidence and prepare the students to have a smooth transition from academic to working career. The Second Party will provide its Labs/ Workshops/ Industrial Sites for the hands-on training of the learners enrolled with the First Party.

2.4 The Second Party will train the students of the First Party on the emerging technologies in order to bridge the gap in skill and make them ready for industry

2.5 The Second Party will extend the necessary support to deliver guest lecturers to the students of the First Party on the technology trends and in house requirements.

2.6 The Second Party will actively engage to help the delivery of the training and placement of students of the First Party into internships/jobs.

Clause 3

3.1 The validity of the agreement is Three years from the date of agreement.

3.2 Both Parties may terminate this MOU upon 30 calendar days' notice in writing. In the event of Termination, both parties have to discharge their obligations.

3.3 Any dispute will be settled in the Midnapore Court only where the Guntur Engineering College is situated.

To facilitate collaboration between the Institutions and discussions regarding activities of mutual benefit, this Memorandum of Understanding (MOU) establishes the foundation of the relationship between the two Institutions. On **06th JULY 2022**, first party **Dr. Lankapalli Bullayya College of Engineering, Visakhapatnam** and second party **Amrita Sai Institute of Science and Technology (Autonomous), Kanchikacherla**.

1. PARTIES OF THE AGREEMENT:

First party Dr. Lankapalli Bullayya College of Engineering, Visakhapatnam and Second party Amrita Sai Institute of Science and Technology (Autonomous), Kanchikacherla, formally established an academic collaboration through this agreement. Here onwards two institutions are first Party and second Party as in both Parties.

2. PURPOSE OF THE AGREEMENT:

The collaboration will encompass various areas, including curriculum design and other feasible activities that align with the goals of each institution. This partnership may involve joint participation in diverse academic and educational endeavors. The purpose of this MOU is to establish, develop and expand the co-operative relationship between the Parties.

3. DURATION:

- This MOU will take effect from the Commencement Date and will expire at the conclusion of the Term TWO (2) Years, unless terminated earlier in accordance with clause 4.
- The Parties may extend the Term of this MOU by agreement in writing at any time prior to the expiry of the Term, or the expiry of any extension to the Term.

4. AREAS OF CO-OPERATION:

The Parties anticipate that an Activity Agreement will specify, where relevant the nature and location of the Activity. The responsibilities and liabilities of each Party, including the services and resources to be provided by each party in this MoU such as,

- Exchange of Knowledge: Both institutions agree to share academic resources, research findings, and other relevant information to enhance their educational programs
- Faculty Exchange: The colleges will encourage faculty members to participate in exchange programs, allowing them to teach or conduct research at the partner institution.
- Student Exchange: The colleges will facilitate student exchange programs to promote cultural understanding and academic growth.
- Joint Research Projects: The colleges will explore opportunities for joint research initiatives and seek funding for collaborative projects.

5. IMPLEMENTATION:

All programs or activities implemented under the terms of this Memorandum of Understanding shall be mutually agreed upon in writing including the necessary budget for the program of activity as the need may arise. The Parties will.

- Identify Activities they wish to engage in collaboratively from time to time;
- Discuss the identified Activities with a view to reaching agreement on the terms of cooperation for each activity.

Email : principal@lbce.edu.in Website : www.lbce.edu.in

6. GOVERNANCE AND DECISION-MAKING:

- Both colleges shall appoint a designated representative to oversee the collaboration and serve as the primary point of contact.
- Decisions pertaining to the implementation of this MoU shall be made jointly by both representatives.

7. CONFIDENTIALITY:

Both colleges shall ensure that any confidential or sensitive information shared during the collaboration is protected and used solely for the purposes outlined in this MoU.

8. INTELLECTUAL PROPERTY:

Any intellectual property resulting from joint research projects or collaborations shall be governed by a separate agreement to be negotiated and agreed upon by both parties.

9. REPORTING AND EVALUATION:

Both colleges shall provide periodic progress reports on collaborative activities. Evaluation of the collaboration's effectiveness will be conducted jointly to assess its impact and identify areas for improvement.

10. TERMINATION:

- At least 3 months prior notice in writing;
- At any time by mutual written agreement.
- Commencement Date means the date on which the last of the parties executes this MoU.
- Termination shall not affect ongoing projects unless mutually agreed upon.

11. AMENDMENTS:

Any modifications to this MoU shall be made in writing and require the approval of both colleges.

- In the event of any unforeseen incident during collaborative activities, both colleges agree to negotiate a mutually acceptable solution.
- Should any disagreement arise out of the application, interpretation or implementation of this Agreement, the colleges shall endeavor to exercise best efforts to negotiate their differences.

Forms of Research and Development Programs

The form of any of the said Research and Development Program (hereinafter referred to as "Research Program") will be subject to a separate Research MOU entered into by the Parties but may also include the following:

- a. **In their own existing facilities-** The performance of research individually by each Party or concurrently by both Parties in mixed groups at their own facilities with regular exchanges of results.
- b. **In a separate research and development facility-** The performance of research by the technical personnel of both Parties working together in the facilities of one Party or in mixed groups at the facilities supported/ sponsored by either Party
- c. **Third parties-** The performance of research by the Parties together with one or more third parties.

Technical areas of collaboration

The principal technical areas of collaboration between SYNCREON CONSULTING LIMITED and College will be as per the requirements and norms of both parties

MOU for research collaboration

Each research collaboration undertaken by the parties hereunder shall be initiated by the signing of a separate research MOU between the parties, which will describe in detail:

- a. the nature, scope and schedule of the research collaboration
- b. the form of the research collaboration.
- c. the estimated cost of the research collaboration together with the amount of funding, if any, to be received from third parties.
- d. the treatment of intellectual property and data rights, including patents, industrial design registration, copyrights and all other proprietary information (including innovations not patented, designs not registered etc.) which result from the research collaboration or which belong to a party and are used in research collaboration.
- e. other provisions as may be mutually agreed upon, including provisions covering the consequences of default or termination by a participant, term, arbitration of disputes and applicable law.

Confidentiality

- a. During and for a period of three years from the date of disclosure, each party agrees to consider as confidential all information disclosed by the other party in written or tangible form or, if orally disclosed confirmed in writing within thirty days of disclosure and identified as confidential by the disclosing party
- b. The obligations above shall not extend to any confidential information for which the receiving party can prove that this information:
 - a. is in the public domain at the time of disclosure or comes within the public domain without fault of the receiving party
 - b. is already known or become known to the receiving party
 - c. is received from a third party having no obligations of confidentiality to the disclosing party
 - d. is independently developed by the receiving party; or
 - e. is required to be disclosed by law or court order.

Non-Exclusivity

The relationship of the parties under this MOU shall be nonexclusive and both parties, including their affiliates, subsidiaries and divisions, are free to pursue other MOU or collaborations of any kind. However, when entering into a particular research MOU, the participants may agree to limit each party's right to collaborate with others on that subject.

Terms and Termination

This MOU, unless extended by mutual written consent of the parties, shall expire 3 years after the effective date specified in the opening paragraph. This MOU may be amended or terminated earlier by mutual written consent of the parties at any time. Either party shall have the right to unilaterally terminate this MOU upon 60 days' prior written notice to the other party. However, no such early termination of this MOU, whether mutual or unilateral, shall affect the obligations of the participants under any Research MOU, Confidentiality clause as referenced in confidentiality clause above, or any other MOU entered into pursuant to this MOU, which obligations shall survive any such termination.

Relationship

Nothing in this MOU shall be construed to make either party a partner, an agent or legal representative of the other for any purpose.

**A MEMORANDUM OF UNDERSTANDING ON "ACADEMIC
COLLABORATION"**

BETWEEN

VIJAYA INSTITUTE OF TECHNOLOGY FOR WOMEN (VITW)

AND

AMRITA SAI INSTITUTE OF SCIENCE AND TECHNOLOGY (ASIST)

This MOU is entered into on the day of 12th, September 2022 between Vijaya Institute of Technology for Women Vijayawada Andhra Pradesh, India and Amrita Sai Institute of Science and Technology, Paritala, AP, India - 521180.

1. Objectives:

1.1. To contribute further to the regional understanding between faculty and staff of VITW and ASIST for enhancing skills of students/aspirants through internship and vocational training in order to enhance the quality of Technical and Engineering education in the Country.

1.2. To strengthen collaboration between VITW and ASIST through academic programs in instruction, research and faculty development among the faculty and students of both parties.

2. Scope

The Scope of collaboration on academic and research activities in this Memorandum of Understanding includes the following categories:

1. Developing research projects jointly and avail funding
2. Exchange of academic information, materials and facilities
3. Students Exchange
4. Faculty and Staff Exchange
5. Research aid to Ph.D. scholars by both parties
6. Intellectual property rights of the collaboration work belonging to both parties
7. Organizing/participation in Joint symposia, seminars, conferences, workshops etc.
8. Developing articulations for twinning/joint programs and allowing students to undertake part of the programme/course of study at each organization; and
9. Promoting such other activities/programs as mutually agreed from time to time.

IOAC Coordinator
Amrita Sai Institute of Science & Technology
Amrita Sai Nagar, Paritala - 521180

2.1 Developing research projects jointly and avail funding

Both the parties agree to undertake research projects/activities through sharing of research ideas, data and academic resources that can lead to joint publications, development of any product or other intended outcomes like Intellectual property rights/ patents/discoveries generated out of the research activities, belonging to both parties. Such collaboration activities will also include joint research conferences, visitations and sabbaticals at each other's premises; subject to mutual consent of both the parties. All such joint research activities will be governed by the terms and conditions lay down by separate written agreement by both organizations.

2.2 Exchange of academic information, materials and facilities

Both parties agree to exchange academic information, facilities, resources etc. as mutually agreed from time to time.

2.3 Students Exchange

Short Courses/ Summer School: These courses, usually two to four weeks in duration, will normally be held in spring or summer as mutually agreed. The programs will facilitate visits by students and faculty to learn about the industry environment and culture. In addition to various topics on industry operations and culture, the course would include meetings with industry executives, and visits to various industrial establishments. The cost and other terms of such programs will be mutually worked out separately each year.

2.4 Faculty and Staff Exchange

Both organizations agree to develop opportunities for faculty to teach courses, conduct seminars and undertake such other activities at each other's campus as mutually agreed. Visiting faculty will be provided with opportunities to observe and share teaching methods and curriculum. VITW and ASIST will exchange faculty according to the terms and conditions as mutually agreed upon.

2.5 Organizing/ participation in Joint symposia, seminars, conferences, workshops etc.

Both organizations will promote their faculty and staff participation in the conferences, conclaves and seminars organized by each other to strengthen the ties between both the organizations and will also jointly organize symposia, seminars, conferences, workshops and other programs as mutually agreed.

3. Advertising & Publicity

Both the parties will publicly advertise the collaboration under this MoU among students, staff etc., if agreed by their management. Where reasonably possible in making advertisements or public announcements in relation to this MoU, each organization shall

IQAC Coordinator
Amrita Sai Institute of Science & Technology
Amrita Sai Nagar, Paritala -521180

acknowledge the participation of other organization and the contribution that other organization has made if any.

4. Commencement, renewal, termination and amendment

This MOU will come into force upon affixing of the signatures of the representatives of the both organizations and will remain in effect for one (1) year. This MOU will be renewed upon its expiry, as per mutual agreement of both organizations. If either organization wishes to terminate the MOU at the end of one year period or in between the period of one year, it must notify the other organization not less than one month prior to the expiry of the MOU. The event of termination will not affect participants from completing their activities at the host party already initiated or ongoing unless otherwise mutually agreed. This MoU, its renewal and the actions taken under it will be reviewed at any time. Modifications to MoU will be made by mutual consent and any amendment or extension to the MoU will be formalized by the exchange of letters and or emails between the two organizations.

5. Coordinators:

Each organization agrees to appoint an overall Coordinator for the administration of this MOU. The Coordinator will serve as the contact person on campus. These coordinators will ensure smooth flow of communication and would be responsible to ensure that necessary approvals are in place for student/faculty exchange, articulation agreement etc. These coordinators will be responsible to ensure the effectiveness and enforcement MOU. Both organizations are responsible for keeping their contact details up to date. Contact details and address of the designated coordinators are given hereunder:

6. Resolution of Disputes and Governing Law:

In the event of any unforeseen issues or matters not covered herein or any controversy, dispute or difference arising out of or in connection with this MoU, the same shall be resolved amicably by both the organizations. This MoU and further agreements will in all respect be governed by and construed in accordance with the laws of Republic of India. This MOU shall be signed in counterpart. Each counterpart will constitute an original document and these counterparts taken together, shall constitute one and the same MOU.

**A MEMORANDUM OF UNDERSTANDING ON “ACADEMIC
COLLABORATION”**

BETWEEN

NRI INSTITUTE OF TECHNOLOGY, VIJAYAWADA, ANDHRA PRADESH

AND

AMRITA SAI INSTITUTE OF SCIENCE AND TECHNOLOGY

This MOU is entered into on the day of 5th, **November 2022** between NRI INSTITUTE OF TECHNOLOGY (Autonomous) situated at Pothavarappadu, and Vijayawada (hereinafter called NRIIT and AMRITA SAI INSTITUTE OF SCIENCE AND TECHNOLOGY (Hereinafter called ASIST), an Engineering college affiliated to Jawaharlal Nehru Technological University, Kakinada. The aforesaid institutions are hereinafter referred to individually as institute and collectively as institutes. Sri Durga Malleswara Educational Society was established in 2007 with the objective of reaching the zenith in the field of education. NRI College of Pharmacy, started in 2007 and NRI Institute of Technology, started in 2008 are the result of such sincere and dedicated efforts and stern determination of the founders of the society. NRI Institute of Technology is an AICTE approved Institution affiliated to the JNTUK which functions as a private self-financing institution to cater to the needs of juvenile aspirants in and around Vijayawada. The promoters of NRIIT started the college with a vision to empower the students with vibrant technology, sensitively matured and innovative to face the challenges of real time global experiences. The founders are socially conscious and continuously responding to the needs and requirements of the region, to uplift the region and to promote educational facilities by establishing schools, to promote games and sports activities in the region, help the poor and improve their health standards by organizing free medical camps etc., Since the day of inception, NRIIT has been growing at a credible but steady pace for an educational institution of its kind. Both NRIIT and NRI College of Pharmacy have been taking a place of pride every year JNTUK results are announced. NRI College of Pharmacy had recently added a feather to the crown of the Society by successfully placing its first outgoing batch of dynamic young pharmacists in various esteemed Organizations is an Autonomous Institution with good discipline as well as Result oriented with NAAC-A Grade, JNTU Kakinada -Permanent affiliation and ISO Certified Institution and AMRITA SAI INSTITUTE OF SCIENCE AND TECHNOLOGY. In the interest of establishing a relationship of mutual benefit to both organizations, NRI

Institute of Technology, Vijayawada (NRIIT) and (ASIST) have agreed to the areas of collaboration on academic and research related activities as mentioned in this MOU.

1. Objectives:

1.1. To contribute further to the regional understanding between faculty and staff of NRIIT and ASIST for enhancing skills of students/aspirants through internship and vocational training in order to enhance the quality of Technical and Engineering education in the Country.

1.2. To strengthen collaboration between NRIIT and ASIST through academic programs in instruction, research and faculty development among the faculty and students of both parties.

2. Scope

The Scope of collaboration on academic and research activities in this Memorandum of Understanding includes the following categories:

1. Developing research projects jointly and avail funding
2. Exchange of academic information, materials and facilities
3. Students Exchange
4. Faculty and Staff Exchange
5. Research aid to Ph.D. scholars by both parties
6. Intellectual property rights of the collaboration work belonging to both parties
7. Organizing/participation in Joint symposia, seminars, conferences, workshops etc.
8. Developing articulations for twinning/joint programs and allowing students to undertake part of the programme/course of study at each organization; and
9. Promoting such other activities/programs as mutually agreed from time to time.

2.1 Developing research projects jointly and avail funding

Both the parties agree to undertake research projects/activities through sharing of research ideas, data and academic resources that can lead to joint publications, development of any product or other intended outcomes like Intellectual property rights/ patents/discoveries generated out of the research activities, belonging to both parties. Such collaboration activities will also include joint research conferences, visitations and sabbaticals at each other's premises; subject to mutual consent of both the parties. All such joint research activities will be governed by the terms and conditions lay down by separate written agreement by both organizations.

IQAC Coordinator
Amrita Sai Institute of Science & Technology
Amrita Sai Nagar, Paritala - 501181

2.2 Exchange of academic information, materials and facilities

Both parties agree to exchange academic information, facilities, resources etc. as mutually agreed from time to time.

2.3 Students Exchange

Short Courses/ Summer School: These courses, usually two to four weeks in duration, will normally be held in spring or summer as mutually agreed. The programs will facilitate visits by students and faculty to learn about the industry environment and culture. In addition to various topics on industry operations and culture, the course would include meetings with industry executives, and visits to various industrial establishments. The cost and other terms of such programs will be mutually worked out separately each year.

2.4 Faculty and Staff Exchange

Both organizations agree to develop opportunities for faculty to teach courses, conduct seminars and undertake such other activities at each other's campus as mutually agreed. Visiting faculty will be provided with opportunities to observe and share teaching methods and curriculum. NRIIT and ASIST will exchange faculty according to the terms and conditions as mutually agreed upon.

2.5 Organizing/ participation in Joint symposia, seminars, conferences, workshops etc.

Both organizations will promote their faculty and staff participation in the conferences, conclaves and seminars organized by each other to strengthen the ties between both the organizations and will also jointly organize symposia, seminars, conferences, workshops and other programs as mutually agreed.

3. Advertising & Publicity

Both the parties will publicly advertise the collaboration under this MoU among students, staff etc., if agreed by their management. Where reasonably possible, in making advertisements or public announcements in relation to this MoU, each organization shall acknowledge the participation of other organization and the contribution that other organization has made if any.

4. Commencement, renewal, termination and amendment

This MOU will come into force upon affixing of the signatures of the representatives of the both organizations and will remain in effect for one (1) year. This MOU will be renewed upon its expiry, as per mutual agreement of both organizations. If either organization wishes to terminate the MOU at the end of one year period or in between the period of one year, it must notify the other organization not less than one month prior to the expiry of the MOU. The event of termination will not affect participants from completing their activities at the

host party already initiated or ongoing unless otherwise mutually agreed. This MOU, its renewal and the actions taken under it will be reviewed at any time. Modifications to MoU will be made by mutual consent and any amendment or extension to the MOU will be formalized by the exchange of letters and or emails between the two organizations.

5. Coordinators:

Each organization agrees to appoint an overall Coordinator for the administration of this MOU. The Coordinator will serve as the contact person on campus. These coordinators will ensure smooth flow of communication and would be responsible to ensure that necessary approvals are in place for student/faculty exchange, articulation agreement etc. These coordinators will be responsible to ensure the effectiveness and enforcement MOU. Both organizations are responsible for keeping their contact details up to date. Contact details and address of the designated coordinators are given hereunder:

6. Resolution of Disputes and Governing Law:

In the event of any unforeseen issues or matters not covered herein or any controversy, dispute or difference arising out of or in connection with this MoU, the same shall be resolved amicably by both the organizations. This MoU and further agreements will in all respect be governed by and construed in accordance with the laws of Republic of India. This MOU shall be signed in counterpart. Each counterpart will constitute an original document and these counterparts taken together, shall constitute one and the same MOU.

**A MEMORANDUM OF UNDERSTANDING ON “ACADEMIC
COLLABORATION”
BETWEEN**

**NIMRA COLLEGE OF ENGINEERING AND TECHNOLOGY
AND
AMRITASAI INSTITUTE OF SCIENCE AND TECHNOLOGY**

This MOU is entered into on the day of 12th, November 2022 between Nimra College of Engineering and Technology, Nimra Nagar, Jupudi Village, Ibrahimpatnam, Andhra Pradesh, India and Amrita Sai Institute of Science and Technology, Paritala, Andhra Pradesh, India.

1. Objectives:

- 1.1. To contribute further to the regional understanding between faculty and staff of NCET and ASIST for enhancing skills of students/aspirants through internship and vocational training in order to enhance the quality of Technical and Engineering education in the Country.
- 1.2. To strengthen collaboration between NCET and ASIST through academic programs in instruction, research and faculty development among the faculty and students of both parties.

2. Scope:

The Scope of collaboration on academic and research activities in this Memorandum of Understanding includes the following categories:

1. Developing research projects jointly and avail funding
2. Exchange of academic information, materials and facilities
3. Students Exchange
4. Faculty and Staff Exchange
5. Research aid to Ph.D. scholars by both parties
6. Intellectual property rights of the collaboration work belonging to both parties
7. Organizing/participation in Joint symposia, seminars, conferences, workshops etc.
8. Developing articulations for twinning/joint programs and allowing students to undertake part of the programme/course of study at each organization; and
9. Promoting such other activities/programs as mutually agreed from time to time.

Amrita Sai Nagar, Paritala - 522 201

2.1 Developing research projects jointly and avail funding

Both the parties agree to undertake research projects/activities through sharing of research ideas, data and academic resources that can lead to joint publications, development of any product or other intended outcomes like Intellectual property rights/ patents/discoveries generated out of the research activities, belonging to both parties. Such collaboration activities will also include joint research conferences, visitations and sabbaticals at each other's premises; subject to mutual consent of both the parties. All such joint research activities will be governed by the terms and conditions lay down by separate written agreement by both organizations.

2.2 Exchange of academic information, materials and facilities

Both parties agree to exchange academic information, facilities, resources etc. as mutually agreed from time to time.

2.3 Students Exchange

Short Courses/ Summer School: These courses, usually two to four weeks in duration, will normally be held in spring or summer as mutually agreed. The programs will facilitate visits by students and faculty to learn about the industry environment and culture. In addition to various topics on industry operations and culture, the course would include meetings with industry executives, and visit various industrial establishments. The cost and other terms of such programs will be mutually worked out separately each year.

2.4 Faculty and Staff Exchange

Both organizations agree to develop opportunities for faculty to teach courses, conduct seminars and undertake such other activities at each other's campus as mutually agreed. Visiting faculty will be provided with opportunities to observe and share teaching methods and curriculum. NCET and ASIST will exchange faculty according to the terms and conditions as mutually agreed upon.

2.5 Organizing/ participation in Joint symposia, seminars, conferences, workshops etc.

Both organizations will promote their faculty and staff participation in the conferences, conclaves and seminars organized by each other to strengthen the ties between both the organizations and will also jointly organize symposia, seminars, conferences, workshops and other programs as mutually agreed.

3. Advertising & Publicity

Both the parties will publicly advertise the collaboration under this MoU among students, staff etc., if agreed by their management. Where reasonably possible, in making advertisements or public announcements in relation to this MoU, each organization shall acknowledge the participation of other organization and the contribution that other organization has made if any.

4. Commencement, renewal, termination and amendment

This MOU will come into force upon affixing of the signatures of the representatives of the both organizations and will remain in effect for one (1) year. This MOU will be renewed upon its expiry, as per mutual agreement of both organizations. If either organization wishes to terminate the MOU at the end of one year period or in between the period of one year, it must notify the other organization not less than one month prior to the expiry of the MOU. The event of termination will not affect participants from completing their activities at the host party already initiated or ongoing unless otherwise mutually agreed. This MoU, its renewal and the actions taken under it will be reviewed at any time. Modifications to MoU will be made by mutual consent and any amendment or extension to the MoU will be formalized by the exchange of letters and or emails between the two organizations.

5. Coordinators:

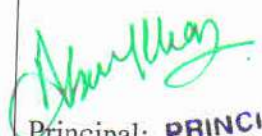

Each organization agrees to appoint an overall Coordinator for the administration of this MOU. The Co-ordinator will serve as the contact person on campus. These coordinators will ensure smooth flow of communication and would be responsible to ensure that necessary approvals are in place for student/faculty exchange, articulation agreement etc. These coordinators will be responsible to ensure the effectiveness and enforcement MOU. Both organizations are responsible for keeping their contact details up to date. Contact details and address of the designated coordinators are given hereunder:

6. Resolution of Disputes and Governing Law: In the event of any unforeseen issues or matters not covered herein or any controversy, dispute or difference arising out of or in connection with this MoU, the same shall be resolved amicably by both the organizations. This MoU and further agreements will in all respect be governed by and construed in accordance with the laws of Republic of India. This MoU shall be signed in counterpart. Each counterpart will constitute an original document and these counterparts taken together, shall constitute one and the same MOU.

Forms of Research and Development Programs

The form of any of the said Research and Development Program (hereinafter referred to as "Research Program") will be subject to a separate Research MOU entered into by the Parties but may also include the following:

- a. **In their own existing facilities-** The performance of research individually by each Party or concurrently by both Parties in mixed groups at their own facilities with regular exchanges of results.
- b. **In a separate research and development facility-** The performance of research by the technical personnel of both Parties working together in the facilities of one Party or in mixed groups at the facilities supported/ sponsored by either Party
- c. **Third parties-** The performance of research by the Parties together with one or more third parties.

Technical areas of collaboration

The principal technical areas of collaboration between AIM I CONSULTANCY LIMITED and College will be as per the requirements and norms of both parties

MOU for research collaboration

Each research collaboration undertaken by the parties hereunder shall be initiated by the signing of a separate research MOU between the parties, which will describe in detail:

- a. the nature, scope and schedule of the research collaboration
- b. the form of the research collaboration.
- c. the estimated cost of the research collaboration together with the amount of funding, if any, to be received from third parties.
- d. the treatment of intellectual property and data rights, including patents, industrial design registration, copyrights and all other proprietary information (including innovations not patented, designs not registered etc.) which result from the research collaboration or which belong to a party and are used in research collaboration.
- e. other provisions as may be mutually agreed upon, including provisions covering the consequences of default or termination by a participant, term, arbitration of disputes and applicable law.

Confidentiality

- a. During and for a period of three years from the date of disclosure, each party agrees to consider as confidential all information disclosed by the other party in written or tangible form or, if orally disclosed confirmed in writing within thirty days of disclosure and identified as confidential by the disclosing party
- b. The obligations above shall not extend to any confidential information for which the receiving party can prove that this information:
 - a. is in the public domain at the time of disclosure or comes within the public domain without fault of the receiving party
 - b. is already known or become known to the receiving party
 - c. is received from a third party having no obligations of confidentiality to the disclosing party
 - d. is independently developed by the receiving party; or
 - e. is required to be disclosed by law or court order.

Non-Exclusivity

The relationship of the parties under this MOU shall be nonexclusive and both parties, including their affiliates, subsidiaries and divisions, are free to pursue other MOU or collaborations of any kind. However, when entering into a particular research MOU, the participants may agree to limit each party's right to collaborate with others on that subject.

Terms and Termination

This MOU, unless extended by mutual written consent of the parties, shall expire 3 years after the effective date specified in the opening paragraph. This MOU may be amended or terminated earlier by mutual written consent of the parties at any time. Either party shall have the right to unilaterally terminate this MOU upon 60 days prior written notice to the other party. However, no such early termination of this MOU, whether mutual or unilateral, shall affect the obligations of the participants under any Research MOU, Confidentiality clause as referenced in confidentiality clause above, or any other MOU entered into pursuant to this MOU, which obligations shall survive any such termination.

Relationship

Nothing in this MOU shall be construed to make either party a partner, an agent or legal representative of the other for any purpose.
