## **5. IMPLEMENTATION:**

All programs or activities implemented under the terms of this Memorandum of Understanding shall be mutually agreed upon in writing including the necessary budget for the program of activity as the need may arise. The Parties will.

- a) Identify Activities they wish to engage in collaboratively from time to time;
- b) Discuss the identified Activities with a view to reaching agreement on the terms of cooperation for each activity.

## **6. GOVERNANCE AND DECISION-MAKING:**

- a) Both colleges shall appoint a designated representative to oversee the collaboration and serve as the primary point of contact.
- b) Decisions pertaining to the implementation of this MOU shall be made jointly by both representatives.

## **7. CONFIDENTIALITY:**

Both colleges shall ensure that any confidential or sensitive information shared during the collaboration is protected and used solely for the purposes outlined in this MoU.

## **8. INTELLECTUAL PROPERTY:**

Any intellectual property resulting from joint research projects or collaborations shall be governed by a separate agreement to be negotiated and agreed upon by both parties.

## **9. REPORTING AND EVALUATION:**

Both colleges shall provide periodic progress reports on collaborative activities. Evaluation of the collaboration's effectiveness will be conducted jointly to assess its impact and identify areas for improvement.

## **10. TERMINATION:**

- a) At least 3 months prior notice in writing;
- b) At any time by mutual written agreement.
- c) Commencement Date means the date on which the last of the parties executes this MOU.
- d) Termination shall not affect ongoing projects unless mutually agreed upon.

**11. AMENDMENTS:**

Any modifications to this MOU shall be made in writing and require the approval of both colleges.

- a) In the event of any unforeseen incident during collaborative activities, both colleges agree to negotiate a mutually acceptable solution.
- b) Should any disagreement arise out of the application, interpretation or implementation of this Agreement, the colleges shall endeavor to exercise best efforts to negotiate their differences.

WHEREAS, VGTN is an institution offering various undergraduate and postgraduate programs in engineering disciplines with state-of-the-art infrastructure and facilities;

WHEREAS, both the Parties are committed to enhancing the quality of engineering education and research through collaboration and cooperation;

NOW THEREFORE, the Parties agree as follows:

  
IQAC Coordinator  
Amrita Sai Institute of Science & Technology  
Amrita Sai Nagar, Paritala - 521180

## 1. Objectives

The objectives of this MOU are:

- To conduct joint FDPs, workshops, seminars, both national and International Conferences on topics of mutual interest and relevance.
- To share the resources, expertise and best practices of both the institutions.
- To facilitate the participation of faculty members and students of both the institutions in the FDPs, workshops and seminars, both National and International Conferences conducted by either institution.
- To explore the possibilities of joint research projects, consultancy services and publications.

## 2. Scope

The scope of this MOU covers the following areas:

- **FDPs:** The Parties will jointly organize FDPs on emerging topics and technologies in engineering disciplines. The FDPs will be designed to enhance the knowledge, skills and competencies of the faculty members of both the institutions. The FDPs will be conducted either online or offline or in a blended mode as per the convenience and availability of the resource persons and participants. The duration, frequency, venue, fees, certificates and other details of the FDPs will be decided mutually by the Parties.
- **Workshops:** The Parties will jointly organize workshops on practical aspects and applications of engineering concepts and tools. The workshops will be aimed at providing hands-on experience and exposure to the faculty members and students of both the institutions. The workshops will be conducted either online or offline or in a blended mode as per the convenience and availability of the resource persons and participants. The duration, frequency, venue, fees, certificates and other details of the workshops will be decided mutually by the Parties.
- **Seminars:** The parties will jointly organize seminars on current issues and trends in engineering domains. The seminars will be intended to provide a platform for sharing ideas, insights and experiences among the faculty members and students of both the institutions. The seminars will be conducted either online or offline or in a blended mode as per the convenience and availability of the resource persons and participants. The duration, frequency, venue, fees, certificates and other details of the seminars will be decided mutually by the Parties.
- **Research and Incubation Cell:** The parties will explore the possibilities of undertaking joint research projects, consultancy services and publications in the areas of mutual interest and relevance. The parties will identify the research topics, objectives, methodology, funding, timeline, deliverables and other aspects of the research projects. The parties will also seek to publish the research outcomes in reputed journals and conferences. The parties will share the intellectual property rights, benefits and responsibilities arising from the research activities as per the agreed terms and conditions.
- **Exchange:** The parties will facilitate the exchange of faculty members and students for participating in the FDPs, workshops and seminars conducted by either party. The parties will also encourage the exchange of faculty members and students for pursuing

research projects, consultancy services and publications. The parties will provide the necessary support and assistance to the visiting faculty members and students in terms of accommodation, transportation, access to facilities and resources, etc. The parties will also recognize the credits earned by the visiting faculty members and students as per the norms and regulations of their respective institutions.

- **National and International Conferences:** The parties will jointly organize National and International Conferences on current issues and trends in engineering domains. The background and context of the conference, such as the theme, objectives, expected outcomes, target audience. The roles and responsibilities of each party involved in the conference, such as the organizers, sponsors, speakers, participants. The terms and conditions of the collaboration, such as the duration, budget, resources, communication, reporting, evaluation. The signatures and dates of the authorized representatives of each party

### 3. Coordination:

The parties will appoint a coordinator from each institution to oversee the implementation of this MOU. The coordinators will be responsible for:

- Communicating with each other on a regular basis to plan, execute and monitor the activities under this MOU.
- Liaising with the respective authorities, departments, faculty members and students of their institutions to facilitate the smooth functioning of the activities under this MOU.
- Resolving any issues or disputes that may arise during the course of this MOU.
- Preparing and submitting periodic reports on the progress and outcomes of the activities under this MOU.

The names and contact details of the coordinators are as follows:

## Form of Research and Development Programs

The form of any of the said Research and Development Program (hereinafter referred to as "Research Program") will be subject to a separate Research Agreement entered into by the Parties but may also include the following:

- a. **In their own existing facilities-** The performance of research individually by each Party or concurrently by both Parties in mixed groups at their own facilities with regular exchanges of results.
- b. **In a separate research and development facility-** The performance of research by the technical personnel of both Parties working together in the facilities of one Party or in mixed groups at the facilities supported/ sponsored by either Party
- c. **Third parties-** The performance of research by the Parties together with one or more third parties.

## Technical areas of collaboration

The principal technical areas of collaboration between ASIST and COMPANY will be as per the requirements and norms of both parties

## Agreements for research collaboration

Each research collaboration undertaken by the parties hereunder shall be initiated by the signing of a separate research agreement between the parties, which will describe in detail:

- a. the nature, scope and schedule of the research collaboration
- b. the form of the research collaboration.
- c. the estimated cost of the research collaboration together with the amount of funding, if any, to be received from third parties.
- d. the treatment of intellectual property and data rights, including patents, industrial design registration, copyrights and all other proprietary information (including innovations not patented, designs not registered etc.) which result from the research collaboration or which belong to a party and are used in research collaboration.
- e. other provisions as may be mutually agreed upon, including provisions covering the consequences of default or termination by a participant, term, arbitration of disputes and applicable law.

## Confidentiality

- a. During and for a period of three years from the date of disclosure, each party agrees to consider as confidential all information disclosed by the other party in written or tangible form or, if orally disclosed confirmed in writing within thirty days of disclosure and identified as confidential by the disclosing party

**AMRITA SAI INSTITUTE OF SCIENCE AND TECHNOLOGY  
PARITALA, KRISHNA DISTRICT, A.P.**

This MoU is entered into on the day of **22<sup>nd</sup> OCTOBER 2021** between BAPATLA WOMEN’S ENGINEERING COLLEGE, BAPATLA (here in after called BWEC) and AMRITA SAI INSTITUTE OF SCIENCE AND TECHNOLOGY, PARITALA (here in after called ASIST). Bapatla Women’s Engineering College was established in 2009 with the objective of reaching the zenith in the field of education for Women. The founders are socially conscious and continuously responding to the needs and requirements of the region, to uplift the region and to promote educational facilities by establishing schools, to promote games and sports activities in the region, help the poor and improve their health standards by organizing free medical camps etc. BWEC College was ISO Certified Institution in the year 2020. In the interest of establishing a relationship of mutual benefit to both organizations, BAPATLA WOMEN’S ENGINEERING COLLEGE, BAPATLA (BWEC) and AMRITA SAI INSTITUTE OF SCIENCE AND TECHNOLOGY, PARITALA (ASIST) have agreed to the areas of collaboration on academic and research related activities as mentioned in this MoU.

**1. Objectives:**

1.1. To contribute further to the regional understanding between faculty and staff of ASIST and BWEC for enhancing skills of students/aspirants through internship and vocational training in order to enhance the quality of Technical and Engineering education in the Country.

1.2. To strengthen collaboration between BWEC and ASIST through academic programs in instruction, research and faculty development among the faculty and students of both parties.

**2. Scope**

The Scope of collaboration on academic and research activities in this Memorandum of Understanding includes the following categories:

1. Developing research projects jointly and avail funding

  
TQAC Coordinator  
Amrita Sai Institute of Science & Technology  
Amrita Sai Nagar, Paritala - 521130

2. Exchange of academic information, materials and facilities
3. Students Exchange
4. Faculty and Staff Exchange
5. Research aid to Ph.D. scholars by both parties
6. Intellectual property rights of the collaboration work belonging to both parties
7. Organizing/participation in Joint symposia, seminars, conferences, workshops etc.
8. Developing articulations for twinning/joint programs and allowing students to undertake part of the programme/course of study at each organization; and
9. Promoting such other activities/programs as mutually agreed from time to time.

### **2.1 Developing research projects jointly and avail funding**

Both the parties agree to undertake research projects/activities through sharing of research ideas, data and academic resources that can lead to joint publications, development of any product or other intended outcomes like Intellectual property rights/ patents/discoveries generated out of the research activities, belonging to both parties. Such collaboration activities will also include joint research conferences, visitations and sabbaticals at each other's premises; subject to mutual consent of both the parties. All such joint research activities will be governed by the terms and conditions lay down by separate written agreement by both organizations.

### **2.2 Exchange of academic information, materials and facilities**

Both parties agree to exchange academic information, facilities, resources etc. as mutually agreed from time to time.

### **2.3 Students Exchange**

Short Term Courses: These courses, usually two to four weeks in duration, will normally be held in spring or summer as mutually agreed. The programs will facilitate visits by students and faculty to learn about the industry environment and culture. In addition to various topics on industry operations and culture, the course would include meetings with industry executives, and visits to various industrial establishments. The cost and other terms of such programs will be mutually worked out separately each year.

## **2.4 Faculty and Staff Exchange**

Both organizations agree to develop opportunities for faculty to teach courses, conduct seminars and undertake such other activities at each other's campus as mutually agreed. Visiting faculty will be provided with opportunities to observe and share teaching methods and curriculum. BWEC and ASIST will exchange faculty according to the terms and conditions as mutually agreed upon.

## **2.5 Organizing/ participation in seminars, conferences, workshops etc.**

Both organizations will promote their faculty and staff participation in the conferences, conclaves and seminars organized by each other to strengthen the ties between both the organizations and will also jointly organize seminars, conferences, workshops and other programs as mutually agreed.

## **3. Advertising & Publicity**

Both the parties will publicly advertise the collaboration under this MoU among students, staff etc., if agreed by their management. Where reasonably possible, in making advertisements or public announcements in relation to this MoU, each organization shall acknowledge the participation of other organization and the contribution that other organization has made if any.

## **4. Commencement, renewal, termination and amendment**

This MOU will come into force upon affixing of the signatures of the representatives of the both organizations and will remain in effect for THREE (3) years. This MOU will be renewed upon its expiry, as per mutual agreement of both organizations. If either organization wishes to terminate the MOU at the end of one year period or in between the period of one year, it must notify the other organization not less than one month prior to the expiry of the MOU. The event of termination will not affect participants from completing their activities at the host party already initiated or ongoing unless otherwise mutually agreed. This MoU, its renewal and the actions taken under it will be reviewed at any time. Modifications to MoU will be made by mutual consent and any amendment or extension to the MoU will be formalized by the exchange of letters and or emails between the two organizations.

## **5. Coordinators:**

Each organization agrees to appoint an overall Coordinator for the administration of this MOU. The Coordinator will serve as the contact person on campus. These coordinators will ensure smooth flow of communication and would be responsible to ensure that necessary
