To facilitate collaboration between the Institutions and discussions regarding activities of mutual benefit, this Memorandum of Understanding (MOU) establishes the foundation of the relationship between the two Institutions. On 06^{th} JULY 2020, first party Dr. Lankapalli Bullayya College of Engineering, Visakhapatnam and second party Amrita Sai Institute of Science and Technology (Autonomous), Kanchikacherla.

1. PARTIES OF THE AGREEMENT:

First party Dr. Lankapalli Bullayya College of Engineering, Visakhapatnam and Second party Amrita Sai Institute of Science and Technology (Autonomous), Kanchikacherla, formally established an academic collaboration through this agreement. Here onwards two institutions are first Party and second Party as in both Parties.

2. PURPOSE OF THE AGREEMENT:

The collaboration will encompass various areas, including curriculum design and other feasible activities that align with the goals of each institution. This partnership may involve joint participation in diverse academic and educational endeavors. The purpose of this MOU is to establish, develop and expand the co-operative relationship between the Parties.

3. DURATION:

- a) This MOU will take effect from the Commencement Date and will expire at the conclusion of the Term TWO (2) Years, unless terminated earlier in accordance with clause 4.
- b) The Parties may extend the Term of this MOU by agreement in writing at any time prior to the expiry of the Term, or the expiry of any extension to the Term.

4. AREAS OF CO-OPERATION:

The Parties anticipate that an Activity Agreement will specify, where relevant the nature and location of the Activity. The responsibilities and liabilities of each Party, including the services and resources to be provided by each party in this MoU such as,

- a) Exchange of Knowledge: Both institutions agree to share academic resources, research findings, and other relevant information to enhance their educational programs
- b) Faculty Exchange: The colleges will encourage faculty members to participate in exchange programs, allowing them to teach or conduct research at the partner institution.
- c) Student Exchange: The colleges will facilitate student exchange programs to promote cultural understanding and academic growth.
- d) Joint Research Projects: The colleges will explore opportunities for joint research initiatives and seek funding for collaborative projects.

5. IMPLEMENTATION:

All programs or activities implemented under the terms of this Memorandum of Understanding shall be mutually agreed upon in writing including the necessary budget for the program of activity as the need may arise. The Parties will.

a) Identify Activities they wish to engage in collaboratively from time to time;

b) Discuss the identified Activities with a view to reaching agreement on the terms of coordination for each activity.

IQAC Coordination for reach activity.

6. GOVERNANCE AND DECISION-MAKING:

- a) Both colleges shall appoint a designated representative to oversee the collaboration and serve as the primary point of contact.
- b) Decisions pertaining to the implementation of this MoU shall be made jointly by both representatives.

7. CONFIDENTIALITY:

Both colleges shall ensure that any confidential or sensitive information shared during the collaboration is protected and used solely for the purposes outlined in this MoU.

8. INTELLECTUAL PROPERTY:

Any intellectual property resulting from joint research projects or collaborations shall be governed by a separate agreement to be negotiated and agreed upon by both parties.

9. REPORTING AND EVALUATION:

Both colleges shall provide periodic progress reports on collaborative activities. Evaluation of the collaboration's effectiveness will be conducted jointly to assess its impact and identify areas for improvement.

10. TERMINATION:

- a) At least 3 months prior notice in writing;
- b) At any time by mutual written agreement.
- c) Commencement Date means the date on which the last of the parties executes this MoU.
- d) Termination shall not affect ongoing projects unless mutually agreed upon.

11. AMENDMENTS:

Any modifications to this MoU shall be made in writing and require the approval of both colleges.

- a) In the event of any unforeseen incident during collaborative activities, both colleges agree to negotiate a mutually acceptable solution.
- b) Should any disagreement arise out of the application, interpretation or implementation of this Agreement, the colleges shall endeavor to exercise best efforts to negotiate their differences.

This Memorandum of Understanding is hereby accepted and agreed upon by the representatives of:

A MEMORANDUM OF UNDERSTANDING ON "ACADEMIC COLLABORATION"

BETWEEN

VIJAYA INSTITUTE OF TECHNOLOGY FOR WOMEN (VITW) AND

AMRITA SAI INSTITUTE OF SCIENCE AND TECHNOLOGY (ASIST)

This MOU is entered into on the day of 14th, September 2020 between Vijaya Institute of Technology for Women Vijayawada Andhra Pradesh, India and Amrita Sai Institute of Science and Technology, Paritala, AP, India - 521180.

1. Objectives:

- 1.1. To contribute further to the regional understanding between faculty and staff of VITW and ASIST for enhancing skills of students/aspirants through internship and vocational training in order to enhance the quality of Technical and Engineering education in the Country.
- 1.2. To strengthen collaboration between VITW and ASIST through academic programs in instruction, research and faculty development among the faculty and students of both parties.

2. Scope

The Scope of collaboration on academic and research activities in this Memorandum of Understanding includes the following categories:

- 1. Developing research projects jointly and avail funding
- 2. Exchange of academic information, materials and facilities
- 3. Students Exchange
- 4. Faculty and Staff Exchange
- 5. Research aid to Ph.D. scholars by both parties
- 6. Intellectual property rights of the collaboration work belonging to both parties
- 7. Organizing/participation in Joint symposia, seminars, conferences, workshops etc.
- 8. Developing articulations for twinning/joint programs and allowing students to undertake part of the programme/course of study at each organization; and
- 9. Promoting such other activities/programs as mutually agreed from time to time.

Amrita Sai Institute of Science & Technology

2.1 Developing research projects jointly and avail funding

Both the parties agree to undertake research projects/activities through sharing of research ideas, data and academic resources that can lead to joint publications, development of any product or other intended outcomes like Intellectual property rights/ patents/discoveries generated out of the research activities, belonging to both parties. Such collaboration activities will also include joint research conferences, visitations and sabbaticals at each other's premises; subject to mutual consent of both the parties. All such joint research activities will be governed by the terms and conditions (ay down by separate written agreement by both organizations.

2.2 Exchange of academic information, materials and facilities

Both parties agree to exchange academic information, facilities, resources etc. as mutually agreed from time to time.

2.3 Students Exchange

Short Courses/ Summer School: These courses, usually two to four weeks in duration, will normally be held in spring or summer as mutually agreed. The programs will facilitate visits by students and faculty to learn about the industry environment and culture. In addition to various topics on industry operations and culture, the course would include meetings with industry executives, and visits to various industrial establishments. The cost and other terms of such programs will be mutually worked out separately each year.

2.4 Faculty and Staff Exchange

Both organizations agree to develop opportunities for faculty to teach courses, conduct seminars and undertake such other activities at each other's campus as mutually agreed. Visiting faculty will be provided with opportunities to observe and share teaching methods and curriculum. VITW and ASIST will exchange faculty according to the terms and conditions as mutually agreed upon.

2.5 Organizing/ participation in Joint symposia, seminars, conferences, workshops etc.

Both organizations will promote their faculty and staff participation in the conferences, conclaves and seminars organized by each other to strengthen the ties between both the organizations and will also jointly organize symposia, seminars, conferences, workshops and other programs as mutually agreed.

3. Advertising & Publicity

Both the parties will publicly advertise the collaboration under this MoU among students, staff etc., if agreed by their management. Where reasonably possible in making advertisements or public announcements in relation to this MoU, each organization shall

Amrita Sai Institute of Science Parriala 521 Nagar. Parriala 521 Nagar.

acknowledge the participation of other organization and the contribution that other organization has made if any.

4. Commencement, renewal, termination and amendment

This MOU will come into force upon affixing of the signatures of the representatives of the both organizations and will remain in effect for one (1) year. This MOU will be renewed upon its expiry, as per mutual agreement of both organizations. If either organization wishes to terminate the MOU at the end of one year period or in between the period of one year, it must notify the other organization not less than one month prior to the expiry of the MOU. The event of termination will not affect participants from completing their activities at the host party already initiated or ongoing unless otherwise mutually agreed. This MoU, its renewal and the actions taken under it will be reviewed at any time. Modifications to MoU will be made by mutual consent and any amendment or extension to the MoU will be formalized by the exchange of letters and or emails between the two organizations.

5. Coordinators:

Each organization agrees to appoint an overall Coordinator for the administration of this MOU. The Coordinator will serve as the contact person on campus. These coordinators will ensure smooth flow of communication and would be responsible to ensure that necessary approvals are in place for student/faculty exchange, articulation agreement etc. These coordinators will be responsible to ensure the effectiveness and enforcement MOU. Both organizations are responsible for keeping their contact details up to date. Contact details and address of the designated coordinators are given hereunder:

6. Resolution of Disputes and Governing Law:

In the event of any unforeseen issues or matters not covered herein or any controversy, dispute or difference arising out of or in connection with this MoU, the same shall be resolved amicably by both the organizations. This MoU and further agreements will in all respect be governed by and construed in accordance with the laws of Republic of India. This MOU shall be signed in counterpart. Each counterpart will constitute an original document and these counterparts taken together, shall constitute one and the same MOU.

A MEMORANDUM OF UNDERSTANDING ON "ACADEMIC COLLABORATION"

BETWEEN

NRI INSTITUTE OF TECHNOLOGY, VIJAYAWADA, ANDHRA PRADESH AND

AMRITA SAI INSTITUTE OF SCIENCE AND TECHNOLOGY

This MOU is entered into on the day of 30th, october 2020 between NRI INSTITUTE OF TECHNOLOGY (Autonomous) situated at Pothavarappadu, and Vijayawada(hereinafter called NRIIT and AMRITA SAI INSTITUTE OF SCIENCE AND TECHNOLOGY (Hereinafter called ASIST), an Engineering college affiliated to Jawaharlal Nehru Technological University, Kakinada. The aforesaid institutions are hereinafter referred to individually as institute and collectively as institutes.Sri Durga Malleswara Educational Society was established in 2007 with the objective of reaching the zenith in the field of education. NRI College of Pharmacy, started in 2007 and NRI Institute of Technology, started in 2008 are the result of such sincere and dedicated efforts and stern determination of the founders of the society. NRI Institute of Technology is an AICTE approved Institution affiliated to the JNTUK which functions as a private self-financing institution to cater to the needs of juvenile aspirants in and around Vijayawada. The promoters of NRIIT started the college with a vision to empower the students with vibrant technology, sensitively matured and innovative to face the challenges of real time global experiences. The founders are socially conscious and continuously responding to the needs and requirements of the region. to uplift the region and to promote educational facilities by establishing schools, to promote games and sports activities in the region, help the poor and improve their health standards by organizing free medical camps etc., Since the day of inception, NRIIT has been growing at a credible but steady pace for an educational institution of its kind. Both NRIIT and NRI

College of Pharmacy have been taking a place of pride every year JNTUK results are

AC Coordinator

Science & Technology

Amrila Sai Institute of Science & Technology

Amrila Sai Institute of Paritala -521180

announced. NRI College of Pharmacy had recently added a feather to the crown of the Society by successfully placing its first outgoing batch of dynamic young pharmacists in various esteemed Organizations is an Autonomous Institution with good discipline as well as Result oriented with NAAC-A Grade, JNTU Kakinada -Permanent affiliation and ISO Certified Institution and AMRITA SAI INSTITUTE OF SCIENCE AND TECHNOLOGY. In the interest of establishing a relationship of mutual benefit to both organizations, NRI Institute of Technology, Vijayawada (NRIIT)and(ASIST)have agreed to the areas of collaboration on academic and research related activities as mentioned in this MOU.

1. Objectives:

- 1.1. To contribute further to the regional understanding between faculty and staff of NRIIT and ASIST for enhancing skills of students/aspirants through internship and vocational training in order to enhance the quality of Technical and Engineering education in the Country.
- 1.2. To strengthen collaboration between NRIIT and ASIST through academic programs in instruction, research and faculty development among the faculty and students of both parties.

2. Scope

The Scope of collaboration on academic and research activities in this Memorandum of Understanding includes the following categories:

- 1. Developing research projects jointly and avail funding
- 2. Exchange of academic information, materials and facilities
- 3. Students Exchange
- 4. Faculty and Staff Exchange
- 5. Research aid to Ph.D. scholars by both parties
- 6. Intellectual property rights of the collaboration work belonging to both parties
- 7. Organizing/participation in Joint symposia, seminars, conferences, workshops etc.
- 8. Developing articulations for twinning/joint programs and allowing students to undertake part of the programme/course of study at each organization; and
- 9. Promoting such other activities/programs as mutually agreed from time to time.

2.1 Developing research projects jointly and avail funding

Both the parties agree to undertake research projects/activities through sharing of research ideas, data and academic resources that can lead to joint publications, development of any product or other intended outcomes like Intellectual property rights/ patents/discoveries generated out of the research activities, belonging to both parties. Such collaboration

Amrila Sai Institute of Science & Technolos

activities will also include joint research conferences, visitations and sabbaticals at each other's premises; subject to mutual consent of both the parties. All such joint research activities will be governed by the terms and conditions lay down by separate written agreement by both organizations.

2.2 Exchange of academic information, materials and facilities

Both parties agree to exchange academic information, facilities, resources etc. as mutually agreed from time to time.

2.3 Students Exchange

Short Courses/ Summer School: These courses, usually two to four weeks in duration, will normally be held in spring or summer as mutually agreed. 2.1 Developing research projects jointly and avail funding

Both the parties agree to undertake research projects/activities through sharing of research ideas, data and academic resources that can lead to joint publications, development of any product or other intended outcomes like Intellectual property rights/ patents/discoveries generated out of the research activities, belonging to both parties. Such collaboration activities will also include joint research conferences, visitations and sabbaticals at each other's premises; subject to mutual consent of both the parties. All such joint research activities will be governed by the terms and conditions lay down by separate written agreement by both organizations.

2.2 Exchange of academic information, materials and facilities

Both parties agree to exchange academic information, facilities, resources etc. as mutually agreed from time to time.

2.3 Students Exchange

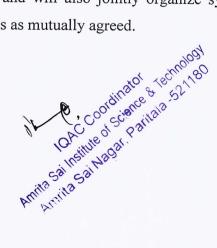

Short Courses/ Summer School: These courses, usually two to four weeks in duration, will normally be held in spring or summer as mutually agreed. The programs will facilitate visits by students and faculty to learn about the industry environment and culture. In addition to various topics on industry operations and culture, the course would include meetings with industry executives, and visit various industrial establishments. The cost and other terms of such programs will be mutually worked out separately each year.

2.4 Faculty and Staff Exchange

Both organizations agree to develop opportunities for faculty to teach courses, conduct seminars and undertake such other activities at each other's campus as mutually agreed. Visiting faculty will be provided with opportunities to observe and share teaching methods and curriculum. NCET and ASIST will exchange faculty according to the terms and conditions as mutually agreed upon.

2.5 Organizing/ participation in Joint symposia, seminars, conferences, workshops etc.

Both organizations will promote their faculty and staff participation in the conferences, conclaves and seminars organized by each other to strengthen the ties between both the organizations and will also jointly organize symposia, seminars, conferences, workshops and other programs as mutually agreed.

3. Advertising & Publicity

Both the parties will publicly advertise the collaboration under this MoU among students, staff etc., if agreed by their management. Where reasonably possible, in making advertisements or public announcements in relation to this MoU, each organization shall acknowledge the participation of other organization and the contribution that other organization has made if any.

4. Commencement, renewal, termination and amendment

This MOU will come into force upon affixing of the signatures of the representatives of the both organizations and will remain in effect for one (1) year. This MOU will be renewed upon its expiry, as per mutual agreement of both organizations. If either organization wishes to terminate the MOU at the end of one year period or in between the period of one year, it must notify the other organization not less than one month prior to the expiry of the MOU. The event of termination will not affect participants from completing their activities at the host party already initiated or ongoing unless otherwise mutually agreed. This MoU, its renewal and the actions taken under it will be reviewed at any time. Modifications to MoU will be made by mutual consent and any amendment or extension to the MoU will be formalized by the exchange of letters and or emails between the two organizations.

5. Coordinators:

Each organization agrees to appoint an overall Coordinator for the administration of this MOU. The Co-ordinator will serve as the contact person on campus. These coordinators will ensure smooth flow of communication and would be responsible to ensure that necessary approvals are in place for student/faculty exchange, articulation agreement etc. These coordinators will be responsible to ensure the effectiveness and enforcement MOU. Both organizations are responsible for keeping their contact details up to date. Contact details and address of the designated coordinators are given hereunder:

6. Resolution of Disputes and Governing Law: In the event of any unforeseen issues or matters not covered herein or any controversy, dispute or difference arising out of or in connection with this MoU, the same shall be resolved amicably by both the organizations. This MoU and further agreements will in all respect be governed by and construed in accordance with the laws of Republic of India. This MOU shall be signed in counterpart. Each counterpart will constitute an original document and these counterparts taken together, shall constitute one and the same MOU.

snall be signed ment and these counterparts take counterparts take
