## MEMORANDUM OF UNDERSTANDING BETWEEN AMRITA SAI INSTITUTE OF SCIENCE AND TECHNOLOGY, PARITALA AND PERFECT ELECTRONIC SYSTEMS, VIJAYAWADA

This MOU made and entered into on the 27<sup>th</sup> day of May 2015 between AMRITA SAI INSTITUTE OF SCIENCE AND TECHNOLOGY, PARITALA year (hereafter called ASIST) situated at Amrita Sai Nagar, Paritala, and Vijayawada perfect electronics (hereinafter called "COMPANY" which expression shall include its successors and permitted assignees) with its registered office at D. No: 103 3rd Lane, Behind ATA Hall, Vivekananda Colony, Auto Nagar, Vijayawada - 520007

### Objectives of the MOU

The objective of this memorandum of understanding is:

- To promote interaction between ASIST and COMPANY in mutually related areas.
- To provide a formal basis of initiating interaction between ASIST and COMPANY

### Proposed Modes of Collaboration

ASIST and COMPANY propose to collaborate through

- Sponsoring students' projects/industry training in four year B.Tech and two year M.Tech/ MBA programs at ASIST.
- Sponsoring eligible employees of COMPANY for doing B.Tech / M.Tech degrees in ASIST. The eligibility criteria for selection will be as per month norms of AICTE and JNTUK.
- Sponsoring R&D projects: This may be carried out wholly at ASIST or at premises of COMPANY or partly at ASIST and partly at COMPANY.
- Training of COMPANY personnel through continuing education programs conducted by ASIST in areas of interest of COMPANY.
- Any other appropriate mode of interaction agreed upon between ASIST and COMPANY.
- COMPANY personnel will be entitled to use the facilities of research lab and incubation facilities at our campus as per the norms of ASIST.

Each of the above modes of interaction will be initiated by entering into a separate MOU between the two parties.

### Forms of Research and Development Programs

The Form of any of the said Research and Development Program (Hereinafter referred to as "Research Program") will be subjected to a separate research MOU entered into by the parties but may also include the following:

- In Their own Existing Facilities:** The performance of research individually by each party or concurrently by both parties in mixed groups at their own facilities with regular exchanges of results.
- In a Separate Research and Development Facility:** The performance of research by the technical personnel of both parties working together in the facilities of one party or in mixed groups at the facilities supported/sponsored by either party.
- Third Party:** The performance of research by the parties together with one or more third parties.

# AMRITA SAI Institute of Science and Technology

Approved by AICTE, New Delhi, Affiliated to JNTU, Kakinada.

## Technical Areas of Collaboration

The principal technical areas of collaboration between ASIST and COMPANY will be as per the requirements and norms of both parties.

## MOU for Research Collaboration

Each Research Collaboration Undertaken by the Parties hereunder shall Be Initiated by the Signing of a Separate Research MOU between Parties, Which Will Describe in Detail:

- The Nature, Scope and Schedule of the Research Collaboration.
- The form of the research collaboration.
- The Estimated Cost of The Research Collaboration Together With the amount of funding, if any, to be received from third Parties.
- The treatment of intellectual property and data rights, including patents, industrial design registration, copyrights and all other proprietary information (including innovations not patented, designs not registered etc.) which result from the research collaboration or which belong to a party and are used in research collaboration.
- Other provisions as may be mutually agreed upon, including provisions covering the consequences of default or termination by a participant, term, arbitration of disputes and applicable law.

## Confidentiality

- During and for a period of three years from the date of disclosure, each party agree to consider as confidential all information disclosed by the other party in written or tangible form or, if orally disclosed confirmed in writing within thirty days of disclosure and identified as confidential by the disclosing party.
- The obligations above shall not extend to any confidential information for which the receiving party can prove that this information,
  - \* Is in the public domain at the time of disclosure or comes within the public domain without fault of the receiving party.
  - \* Is already known or become known to the receiving party.
  - \* Is received from a third party having no obligations of confidentiality to the disclosing party.
  - \* Is independently developed by the receiving party, or
  - \* Is required to be disclosed by law or court order.

## Non-Exclusivity

The relationship of the parties under this MOU shall be nonexclusive and both parties, including their affiliates, subsidiaries and divisions, are free to pursue other MOUs or collaborations of any kind. However, when entering into a particular research MOU, the participants may agree to limit each party's right to collaborate with others on that subject.

## Terms and Termination

This MOU unless extended by mutual written consent of the parties, shall expire 3 years after the effective date specified in the opening paragraph. This MOU may be amended or terminated earlier by mutual written consent of the parties at any time. Either party shall have the right to unilaterally terminate this MOU upon 60 days prior written notice to the other party. However, no such early termination of this MOU, whether mutual or unilateral, shall affect the obligations of the participants under any research MOU, confidentiality clause as referenced in confidentiality clause above, or any other MOU entered into pursuant to this MOU, which obligations shall survive any such termination.

Amrita Sai Institute of Science & Technology  
Amrita Sai Nagar, Paritala - 521180

- Micro-Controller and Simulations Center of Excellence

The college has an R&D Cell where students and faculty can conduct their research work. A separate lab will be working under R&D.

- Product Innovation and Development Lab (PID Lab)
- The college has a separate lab for Mobile Application Development called Android Lab.
- NSIC franchise
- Training program from PMKVY

The campus provides ample opportunities for developing extracurricular skills which include NSS, Students Chapters of IEEE, social clubs and sports & games. The Alumni of this institution have excelled in various spheres and are positioned very well globally in a number of leading Government, Public Sector & Private Organizations.

#### About Oreng

Oreng is to help our clients gain long-term competitive advantage through innovation, change and operational excellence. To realize our mission, we attract, recruit and retain the most knowledgeable and passionate professionals, and we provide a collaborative culture that enables them to thrive professionally and personally. Company growth requires a deep focus on delivery, quality, development and projects. Our area of expertise includes Mobile apps development, social media marketing and other conventional solutions for all verticals.

#### Implementation Scope

This MOU Process between The College and The Company would enable the company to establish the Technology Incubation Centre inside the college for selected candidates from third year and final year in the stream of CSE/ECE to engage them into a part time job in the proposed incubation centre at the campus.

Output pattern – year on year – 3 years from January 2017 to January 2020

- Every year 15 – 20 candidates from the III year and Final year of CSE / ECE will be recruited for Incubation centre in the remuneration pattern of Rs. \_\_\_\_\_ per month as a stipend.
- This support starts from the beginning of every academic year.
- The same set of final year recruits shall continue their job at the company from post completion of their studies and this will be based on their performance during the training.
- This cycle would continue for 3 subsequent academic years to execute the projects initiated by the company.
- Any technology training necessary in this period will be given by the company at the college location as it is the basic responsibility of the company on mutual consent.
- The technology implementation and upgradation in terms of basic software licensing shall be provided by the company on every academic year according to the projects getting carried out.
- In case of any Government Grant / CSR funds / Corporate Sponsorship facilitated by the company will be regularly explored together at regular intervals with mutual benefits.

#### Role of the Institution

- To provide necessary space, technology and basic infrastructure for the proposed center – 700 Square feet (minimum).
- To provide a Systems Network (Locally connected) with online facility. Any server available inside the facility can be used in sharing mode (load /utility /schedule can be decided after analyzing the existing server & other tools availability inside the campus).
- To provide two Faculty Co-coordinators to make the program seamless inside the college in association with Oreng. Company to provide the project monitoring support contact from the company.
- To provide necessary students as well as faculty hours to sustain the regular operation plans of Incubation centre for a period of 3 years.

Dear Sir or Madam,

We welcome you as a new member in our SAP University Alliances Program.

SAP University Alliances is a global program with more than 2,800 member institutions in over 100 countries that aims to shape the future of higher education. The program exposes students and faculty to the latest SAP technologies and enables universities and vocational schools to integrate SAP software into their teaching by partnering to build technology skills.

SAP University Alliances Program members have access to a wealth of resources developed in collaboration with faculty, students, and SAP partners and customers around the world.

As an associate member, you have access to:

- SAP University Alliances curricula
- Demos, Webinars and recordings
- Community membership
- Events and competitions
- Learning platforms

With full membership, you get all the benefits of the associate membership, as well access to:

- The entire SAP license portfolio
- Partnership hosting and maintenance of SAP solutions through University Competence Centers (UCCs)
- First- and second-level-support through University Competence Centers
- Preferential invitation and participation in events

As a next step, you should register for the SAP Learning Hub, academic edition to get access to the curricula and other learning materials as well as the community forums. We recommend that at any point in time 3 lecturers from you institution should be registered to maintain continuity.

By scanning the QR code on the enclosed card and flyer, you will find more detailed information about the SAP University Alliances Program and the SAP Learning Hub academic edition.

**A MEMORANDUM OF UNDERSTANDING ON “ACADEMIC  
COLLABORATION”**

**BETWEEN**

**NRI INSTITUTE OF TECHNOLOGY, VIJAYAWADA, ANDHRA PRADESH**

**AND**

**AMRITA SAI INSTITUTE OF SCIENCE AND TECHNOLOGY**

This MOU is entered into on the day of 23<sup>rd</sup>, JUNE 2018 between NRI INSTITUTE OF TECHNOLOGY (Autonomous) situated at Pothavarappadu, and Vijayawada (hereinafter called NRIIT and AMRITA SAI INSTITUTE OF SCIENCE AND TECHNOLOGY (Hereinafter called ASIST), an Engineering college affiliated to Jawaharlal Nehru Technological University, Kakinada. The aforesaid institutions are hereinafter referred to individually as institute and collectively as institutes. Sri Durga Malleswara Educational Society was established in 2007 with the objective of reaching the zenith in the field of education. NRI College of Pharmacy, started in 2007 and NRI Institute of Technology, started in 2008 are the result of such sincere and dedicated efforts and stern determination of the founders of the society. NRI Institute of Technology is an AICTE approved Institution affiliated to the JNTUK which functions as a private self-financing institution to cater to the needs of juvenile aspirants in and around Vijayawada. The promoters of NRIIT started the college with a vision to empower the students with vibrant technology, sensitively matured and innovative to face the challenges of real time global experiences. The founders are socially conscious and continuously responding to the needs and requirements of the region, to uplift the region and to promote educational facilities by establishing schools, to promote games and sports activities in the region, help the poor and improve their health standards by organizing free medical camps etc., Since the day of inception, NRIIT has been growing at a credible but steady pace for an educational institution of its kind. Both NRIIT and NRI College of Pharmacy have been taking a place of pride every year JNTUK results are announced. NRI College of Pharmacy had recently added a feather to the crown of the Society by successfully placing its first outgoing batch of dynamic young pharmacists in various esteemed Organizations is an Autonomous Institution with good discipline as well as Result oriented with NAAC-A Grade, JNTU Kakinada -Permanent affiliation and ISO Certified Institution and AMRITA SAI INSTITUTE OF SCIENCE AND TECHNOLOGY. In the interest of establishing a relationship of mutual benefit to both organizations, NRI

## **3. Advertising & Publicity**

Both the parties will publicly advertise the collaboration under this MoU among students, staff etc., if agreed by their management. Where reasonably possible, in making advertisements or public announcements in relation to this MoU, each organization shall acknowledge the participation of other organization and the contribution that other organization has made if any.

## **4. Commencement, renewal, termination and amendment**

This MOU will come into force upon affixing of the signatures of the representatives of the both organizations and will remain in effect for one (1) year. This MOU will be renewed upon its expiry, as per mutual agreement of both organizations. If either organization wishes to terminate the MOU at the end of one year period or in between the period of one year, it must notify the other organization not less than one month prior to the expiry of the MOU. The event of termination will not affect participants from completing their activities at the

host party already initiated or ongoing unless otherwise mutually agreed. This MOU, its renewal and the actions taken under it will be reviewed at any time. Modifications to MoU will be made by mutual consent and any amendment or extension to the MOU will be formalized by the exchange of letters and or emails between the two organizations.

### 5. Coordinators:

Each organization agrees to appoint an overall Coordinator for the administration of this MOU. The Coordinator will serve as the contact person on campus. These coordinators will ensure smooth flow of communication and would be responsible to ensure that necessary approvals are in place for student/faculty exchange, articulation agreement etc. These coordinators will be responsible to ensure the effectiveness and enforcement MOU. Both organizations are responsible for keeping their contact details up to date. Contact details and address of the designated coordinators are given hereunder:

### 6. Resolution of Disputes and Governing Law:

In the event of any unforeseen issues or matters not covered herein or any controversy, dispute or difference arising out of or in connection with this MoU, the same shall be resolved amicably by both the organizations. This MoU and further agreements will in all respect be governed by and construed in accordance with the laws of Republic of India. This MOU shall be signed in counterpart. Each counterpart will constitute an original document and these counterparts taken together, shall constitute one and the same MOU.

**BETWEEN**

**BAPATLA WOMEN'S ENGINEERING COLLEGE**

**BAPATLA, Guntur, A.P.**

**AND**

**AMRITA SAI INSTITUTE OF SCIENCE AND TECHNOLOGY  
PARITALA, KRISHNA DISTRICT, A.P.**

This MoU is entered into on the day of **05<sup>th</sup> JULY 2018** between BAPATLA WOMEN'S ENGINEERING COLLEGE, BAPATLA (here in after called BWEC) and AMRITA SAI INSTITUTE OF SCIENCE AND TECHNOLOGY, PARITALA (here in after called ASIST). Bapatla Women's Engineering College was established in 2009 with the objective of reaching the zenith in the field of education for Women. The founders are socially conscious and continuously responding to the needs and requirements of the region, to uplift the region and to promote educational facilities by establishing schools, to promote games and sports activities in the region, help the poor and improve their health standards by organizing free medical camps etc. In the interest of establishing a relationship of mutual benefit to both organizations, BAPATLA WOMEN'S ENGINEERING COLLEGE, BAPATLA (BWEC) and AMRITA SAI INSTITUTE OF SCIENCE AND TECHNOLOGY, PARITALA (ASIST) have agreed to the areas of collaboration on academic and research related activities as mentioned in this MoU.

**1. Objectives:**

1.1. To contribute further to the regional understanding between faculty and staff of ASIST and BWEC for enhancing skills of students/aspirants through internship and vocational training in order to enhance the quality of Technical and Engineering education in the Country.

1.2. To strengthen collaboration between BWEC and ASIST through academic programs in instruction, research and faculty development among the faculty and students of both parties.

**2. Scope**

The Scope of collaboration on academic and research activities in this Memorandum of Understanding includes the following categories:

1. Developing research projects jointly and avail funding

2. Exchange of academic information, materials and facilities
3. Students Exchange
4. Faculty and Staff Exchange
5. Research aid to Ph.D. scholars by both parties
6. Intellectual property rights of the collaboration work belonging to both parties
7. Organizing/participation in Joint symposia, seminars, conferences, workshops etc.
8. Developing articulations for twinning/joint programs and allowing students to undertake part of the programme/course of study at each organization; and
9. Promoting such other activities/programs as mutually agreed from time to time.

### **2.1 Developing research projects jointly and avail funding**

Both the parties agree to undertake research projects/activities through sharing of research ideas, data and academic resources that can lead to joint publications, development of any product or other intended outcomes like Intellectual property rights/ patents/discoveries generated out of the research activities, belonging to both parties. Such collaboration activities will also include joint research conferences, visitations and sabbaticals at each other's premises; subject to mutual consent of both the parties. All such joint research activities will be governed by the terms and conditions lay down by separate written agreement by both organizations.

### **2.2 Exchange of academic information, materials and facilities**

Both parties agree to exchange academic information, facilities, resources etc. as mutually agreed from time to time.

### **2.3 Students Exchange**

Short Term Courses: These courses, usually two to four weeks in duration, will normally be held in spring or summer as mutually agreed. The programs will facilitate visits by students and faculty to learn about the industry environment and culture. In addition to various topics on industry operations and culture, the course would include meetings with industry executives, and visits to various industrial establishments. The cost and other terms of such programs will be mutually worked out separately each year.

## **2.4 Faculty and Staff Exchange**

Both organizations agree to develop opportunities for faculty to teach courses, conduct seminars and undertake such other activities at each other's campus as mutually agreed. Visiting faculty will be provided with opportunities to observe and share teaching methods and curriculum. BWEC and ASIST will exchange faculty according to the terms and conditions as mutually agreed upon.

## **2.5 Organizing/ participation in seminars, conferences, workshops etc.**

Both organizations will promote their faculty and staff participation in the conferences, conclaves and seminars organized by each other to strengthen the ties between both the organizations and will also jointly organize seminars, conferences, workshops and other programs as mutually agreed.

## **3. Advertising & Publicity**

Both the parties will publicly advertise the collaboration under this MoU among students, staff etc., if agreed by their management. Where reasonably possible, in making advertisements or public announcements in relation to this MoU, each organization shall acknowledge the participation of other organization and the contribution that other organization has made if any.

## **4. Commencement, renewal, termination and amendment**

This MOU will come into force upon affixing of the signatures of the representatives of the both organizations and will remain in effect for THREE (3) years. This MOU will be renewed upon its expiry, as per mutual agreement of both organizations. If either organization wishes to terminate the MOU at the end of one year period or in between the period of one year, it must notify the other organization not less than one month prior to the expiry of the MOU. The event of termination will not affect participants from completing their activities at the host party already initiated or ongoing unless otherwise mutually agreed. This MoU, its renewal and the actions taken under it will be reviewed at any time. Modifications to MoU will be made by mutual consent and any amendment or extension to the MoU will be formalized by the exchange of letters and or emails between the two organizations.

## **5. Coordinators:**

Each organization agrees to appoint an overall Coordinator for the administration of this MOU. The Coordinator will serve as the contact person on campus. These coordinators will ensure smooth flow of communication and would be responsible to ensure that necessary

To facilitate collaboration between the Institutions and discussions regarding activities of mutual benefit, this Memorandum of Understanding (MOU) establishes the foundation of the relationship between the two Institutions. On **1<sup>ST</sup> AUGUST 2018**, first party **SASI INSTITUTE OF TECHNOLOGY & ENGINEERING TADEPALLIGUDEM** and **AMRITA SAI INSTITUTE OF SCIENCE & TECHNOLOGY, KANCHIKACHERLA**

**1. PARTIES OF THE AGREEMENT:**

First party **SASI INSTITUTE OF TECHNOLOGY & ENGINEERING TADEPALLIGUDEM** and Second party **AMRITA SAI INSTITUTE OF SCIENCE & TECHNOLOGY, KANCHIKACHERLA** formally established an academic collaboration through this agreement. Here onwards two Institutions are first Party and second Party as in both Parties.

**2. PURPOSE OF THE AGREEMENT:**

The collaboration will encompass various areas, including curriculum design and other feasible activities that align with the goals of each institution. This partnership may involve joint participation in diverse academic and educational endeavors. The purpose of this MOU is to establish, develop and expand the co-operative relationship between the Parties.

**3. DURATION:**

- a) This MOU will take effect from the Commencement Date and will expire at the conclusion of the Term **ONE (1) Year**, unless terminated earlier in accordance with clause 4.
- b) The Parties may extend the Term of this MOU by agreement in writing at any time prior to the expiry of the Term, or the expiry of any extension to the Term.

**4. AREAS OF CO-OPERATION:**

The Parties anticipate that an Activity Agreement will specify, where relevant the nature and location of the Activity. The responsibilities and liabilities of each Party, including the services and resources to be provided by each party in this MOU such as,

- a) Exchange of Knowledge: Both colleges agree to share academic resources, research findings, and other relevant information to enhance their educational programs
- b) Faculty Exchange: The colleges will encourage faculty members to participate in exchange programs, allowing them to teach or conduct research at the partner institution.
- c) Student Exchange: The colleges will facilitate student exchange programs to promote cultural understanding and academic growth.
- d) Joint Research Projects: The colleges will explore opportunities for joint research initiatives and seek funding for collaborative projects.

## **5. IMPLEMENTATION:**

All programs or activities implemented under the terms of this Memorandum of Understanding shall be mutually agreed upon in writing including the necessary budget for the program of activity as the need may arise. The Parties will.

- a) Identify Activities they wish to engage in collaboratively from time to time;
- b) Discuss the identified Activities with a view to reaching agreement on the terms of cooperation for each activity.

## **6. GOVERNANCE AND DECISION-MAKING:**

- a) Both colleges shall appoint a designated representative to oversee the collaboration and serve as the primary point of contact.
- b) Decisions pertaining to the implementation of this MOU shall be made jointly by both representatives.

## **7. CONFIDENTIALITY:**

Both colleges shall ensure that any confidential or sensitive information shared during the collaboration is protected and used solely for the purposes outlined in this MOU.

## **8. INTELLECTUAL PROPERTY:**

Any intellectual property resulting from joint research projects or collaborations shall be governed by a separate agreement to be negotiated and agreed upon by both parties.

## **9. REPORTING AND EVALUATION:**

Both colleges shall provide periodic progress reports on collaborative activities. Evaluation of the collaboration's effectiveness will be conducted jointly to assess its impact and identify areas for improvement.

## **10. TERMINATION:**

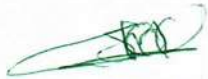

- a) At least 3 months prior notice in writing;
- b) At any time by mutual written agreement.
- c) Commencement Date means the date on which the last of the parties executes this MOU.
- d) Termination shall not affect ongoing projects unless mutually agreed upon.

**11. AMENDMENTS:**

Any modifications to this MOU shall be made in writing and require the approval of both colleges.

- a) In the event of any unforeseen incident during collaborative activities, both colleges agree to negotiate a mutually acceptable solution.

To facilitate collaboration between the Institutions and discussions regarding activities of mutual benefit, this Memorandum of Understanding (MOU) establishes the foundation of the relationship between the two Institutions. On **06<sup>th</sup> JULY 2018**, first party **Dr. Lankapalli Bullayya College of Engineering for Women, Visakhapatnam** and second party **Amrita Sai Institute of Science and Technology (Autonomous), Kanchikacherla**.

## 1. PARTIES OF THE AGREEMENT:

First party Dr. Lankapalli Bullayya College of Engineering for Women, Visakhapatnam and Second party Amrita Sai Institute of Science and Technology (Autonomous), Kanchikacherla, formally established an academic collaboration through this agreement. Here onwards two institutions are first Party and second Party as in both Parties.

## 2. PURPOSE OF THE AGREEMENT:

The collaboration will encompass various areas, including curriculum design and other feasible activities that align with the goals of each institution. This partnership may involve joint participation in diverse academic and educational endeavors. The purpose of this MOU is to establish, develop and expand the co-operative relationship between the Parties.

## 3. DURATION:

- This MOU will take effect from the Commencement Date and will expire at the conclusion of the Term TWO (2) Years, unless terminated earlier in accordance with clause 4.
- The Parties may extend the Term of this MOU by agreement in writing at any time prior to the expiry of the Term, or the expiry of any extension to the Term.

## 4. AREAS OF CO-OPERATION:

The Parties anticipate that an Activity Agreement will specify, where relevant the nature and location of the Activity. The responsibilities and liabilities of each Party, including the services and resources to be provided by each party in this MoU such as,

- Exchange of Knowledge: Both institutions agree to share academic resources, research findings, and other relevant information to enhance their educational programs
- Faculty Exchange: The colleges will encourage faculty members to participate in exchange programs, allowing them to teach or conduct research at the partner institution.
- Student Exchange: The colleges will facilitate student exchange programs to promote cultural understanding and academic growth.
- Joint Research Projects: The colleges will explore opportunities for joint research initiatives and seek funding for collaborative projects.

## 5. IMPLEMENTATION:

All programs or activities implemented under the terms of this Memorandum of Understanding shall be mutually agreed upon in writing including the necessary budget for the program of activity as the need may arise. The Parties will.

- Identify Activities they wish to engage in collaboratively from time to time;
- Discuss the identified Activities with a view to reaching agreement on the terms of cooperation for each activity.
