Event Report

Name of the Event: free medical camp

Introduction to Event:

The World heart day camp was inaugurated by the college management Sri K. Ramamohanarao garu, and principal. All the teaching and non-teaching staff participated in drive. The Camp is organized with the Dr. Varanasi Pratap reddy is the chief Guest and Explains The World Heart Federation (WHF) is a non-governmental organization based in Geneva, Switzerland, formed in 1972. In 1978 the International Society of Cardiology merged with the International Cardiology Federation (which had been founded in 1970) to form the International Society and Federation of Cardiology. This body changed its name in 1998 to the World Heart Federation.

The federation hosts the World Congress of Cardiology. A preliminary and somewhat informal international meeting of cardiologists was held in Prague in 1933, but the advent of Nazism and World War II prevented further international cooperation in the field until 1946, when a Cardiological Congress took place in Mexico City. The first true World Congress was held in 1950.
