7.1.8: Describe the Institutional efforts/initiatives in providing an inclusive environment i.e., tolerance and harmony towards cultural, regional, linguistic, communal socio economic and such other diversities

Amrita Sai Institute of Science and Technology (ASIST) is committed to build an inclusive environment that celebrates and embraces diversity in all its forms. Through cultural celebrations, multilingualism, communal harmony initiatives, scholarships, sensitization programs, and support services, ASIST strives to create an atmosphere of tolerance, harmony, and respect. By nurturing inclusivity, ASIST not only enriches the educational experience of its students but also prepares them to thrive in a globalized world that values diversity and cultural understanding.

ASIST organizes a range of cultural celebrations and events that show case the diversity of its student community. These events include traditional festivals, intercultural competitions, and cultural exchange programs. By actively involving students from different cultural backgrounds, ASIST promotes understanding and appreciation of various traditions, fostering an atmosphere of tolerance and harmony.

ASIST firmly believes in nurturing communal harmony among its students and staff members. The college actively organizes workshops, seminars, and panel discussions that address issues related to communal harmony, religious understanding, and social cohesion. By fostering dialogue and creating platforms for open discussions, ASIST encourages individuals to develop empathy, respect, and appreciation for different religious and communal beliefs.

To address socioeconomic diversities, ASIST offers various scholarships and financial assistance programs. These initiatives aim to provide equal opportunities for students from economically backward. By reducing financial barriers, ASIST ensures that deserving students, regardless of their socio economic status, have access to quality education and can thrive within the college environment.

ASIST organizes awareness campaigns, training sessions, and workshops on diversity and inclusion, promoting a positive and stimulating atmosphere for all members of the college community.

To enhance awareness and sensitivity towards diversity, ASIST conducts regular sensitization and training programs for faculty, staff, and students. These programs focus on curbing stereotypes, biases, and prejudices. By understanding different perspectives, ASIST aims to create an environment where everyone feels valued, respected, and included.
