Department of Training and placement cell organized "Seminar on the importance of soft skills to enhance life skills" for II B. TECH and III B. TECH by corporate trainer Mr. G. Lova Krishna on 04-01-2023. The main purpose of conducting this training was

- To give each student a realistic perspective of work and work expectations to help them in problem solving skills.
- To guide students in making appropriate and responsible decisions.
- To create a desire to fulfil individual goals.
- To be more self-confident, less stress.
- To adjust to the frustrations and challenges they will encounter in life.

II B. TECH and III B. TECH have attended this program. As part of soft skill development activity for students in communicative English lab. **Dr.P. phani Kumar, asst.prof** acted as coordinator for the program and **G.lova Krishna** acts as speaker. Sir explained that soft skills refer to both character traits and interpersonal skills that will influence how well a person can work or interact with others. The term soft skills cover a wide range of skills as diverse as teamwork, time management, empathy and delegation. Sir explained that soft skills are personal attributes that influence how well you can work or interact with others. These skills make it easier to inform relationships with people, create trust and dependability and lead teams around students participated in the program. On the last day open feedback was taken after the program. They expressed that this kind of program training would help them to learn, live and work better. **Dr. P. CHIRANJEEVI, TRAINING AND PLACEMENT CELL OFFICER** of Amrita Sai Institute of Science and Technology, paritala thanked Mr. Gangadhar and participants for making the program a success.
