Department of Training and placement cell organized " Language Enhancement Activity on Employability Skills " for II B. TECH and III B. TECH by corporate trainer Dr.P.Phani Kumar on 20-06-2023. The main purpose of conducting this training was

- To guide students in making appropriate and responsible decisions.
- To create a desire to fulfil individual goals.
- To be more self-confident, less stress.
- To adjust to the frustrations and challenges they will encounter in life.

II B. TECH and III B. TECH have attended this program. As part of soft skill development activity for students in communicative English lab. **G.Iova Krishna** acted as coordinator for the program and **Dr.p.phani Kumar** acts as speaker. explained the importance of employability skills and defined the term as "transferable skills needed by an individual to make them employable." Employability relates to your knowledge, skills, and attitudes, how you use those assets, and how you present them to employers in today's context. And explained that Personal characteristics, habits, and attitudes influence how you interact with others. Employers value employability skills because they regard these as indications of how you get along with other team members and customers, and how efficiently you are likely to handle your job performance and career success. Around 39 students participated in the program. On the last day open feedback was taken after the program. They expressed that this kind of program training would help them to learn, live and work better. Dr. P. CHIRANJEEVI, TRAINING AND PLACEMENT CELL OFFICER of Amrita Sai Institute of Science and Technology, paritala and participants for making the program a success.

Department of Training and placement cell organized " Mock Group Discussion as a part of Language Enhancement Activity" for II B. TECH and III B. TECH by corporate trainer Mrs. P. Easter on 11-05-2023. The main purpose of conducting this training was

- To guide students in making appropriate and responsible decisions.
- To create a desire to fulfil individual goals.
- To be more self-confident, less stress.
- To adjust to the frustrations and challenges they will encounter in life.

II B. TECH and III B. TECH have attended this program. As part of soft skill development activity for students in communicative English lab. **G.Iova Krishna** acted as coordinator for the program and **Mrs. P. Easter** acts as speaker. She explained that a mock interview is an emulation of a job interview used for training purposes. The conversational exercise usually resembles a real interview as closely as possible, for the purpose of providing experience for a candidate. Mock interviews allow candidates to evaluate their current skill level and identify their weaknesses. Thus, mock interviews aim to provide aspiring candidates with a view to assess their condition which will determine how they perform in the actual interviews. On the last day open feedback was taken after the program. They expressed that this kind of program training would help them to learn, live and work better. Dr. P. Department of Training and placement cell organized " a Seminar on the Importance of English Grammar for Competitive Exams as a part of Language Enhancement Activity " for II B. TECH and III B. TECH by corporate trainer Dr.P.Phani Kumar on 19-04-2023. The main purpose of conducting this training was

- To guide students in making appropriate and responsible decisions.
- To create a desire to fulfil individual goals.
- To be more self-confident, less stress.
- To adjust to the frustrations and challenges they will encounter in life.

II B. TECH and III B. TECH have attended this program. As part of soft skill development activity for students in communicative English lab. **P.Easter** acted as coordinator for the program and **Dr.p.phani Kumar** acts as speaker. On this occasion, he outlined how English grammar holds significant importance in competitive exams. He quoted a few reasons in the Language Proficiency Assessment: English grammar is assessed to evaluate students' proficiency in the English language. It helps to measure their awareness on grammar rules, sentence structure, and vocabulary usage. Different activities were organised to enhance their fluency in English. Around 24 students participated in the programme. On the last day open feedback was taken after the program. They expressed that this kind of program training would help them to learn, live and work better. Dr. P. CHIRANJEEVI, TRAINING AND PLACEMENT CELL OFFICER of Amrita Sai Institute of Science and Technology, paritala and participants for making the program a success.
