ACTIVITY REPORT

"ASIST 2K22"

15th September 2022

Target Group	: Students.
Details of Participants	: 240 Students
Co-coordinator(s)	: Mr. CH. Veeraiah & Mrs. T. Suhasini
Organizing	: Department E.E.E Department
Venue	: Seminar Hall
Description	: ASIST 2K22 a state level tech fest organized by the E.E.E department in association with IEEE, GND Solutions, IETE. Number of students from various colleges participated in this event and enhanced their knowledge

(Paper presentation)

A paper presentation is an oral presentation reserved for completed projects for which results are reported as part of the presentation.

(Poster Presentation) (Team @ Two participants)

A poster presentation is a way to communicate your research or your understanding of a topic in a concise and visually engaging format. A poster presentation usually includes two elements: a poster, a brief verbal explanation of the poster content or topic

PROJECT EXPO (Team @ Two or Three participants)

Innovative solutions for a changing tomorrow and a better world. Prove the real innovator in you by showcasing your project at the expo.

TECH WRINCER (Team @ Two Participants)

This event can comprise of identification for different Electrical components. The participants would have to design a particular Connection or find the faults in the designed Connections.

BUSINESS IDEATHON (Team @TWO Participants)

Showcase for speakers presenting great well- formed ideas. Within the time limit they have to tell about the device or scientist. Like Component Name Characteristics, advantages drawbacks

ACTIVITY REPORT

"ASIST 2K21"

15th September 2021

Target Group	: Students.
Details of Participants	: 240 Students
Co-coordinator(s)	: Dr. M. Tyagarajan & B. Koteswar Rao
Organizing	: Department Civil Department
Venue	: Seminar Hall
Description	: ASIST 2K21 a state level tech fest organized by the Civil department in association with IEEE, GND Solutions, IETE. Number of students from various colleges participated in this event and enhanced their knowledge

(Paper presentation)

A paper presentation is an oral presentation reserved for completed projects for which results are reported as part of the presentation.

(Poster Presentation) (Team @ Two participants)

A poster presentation is a way to communicate your research or your understanding of a topic in a concise and visually engaging format. A poster presentation usually includes two elements: a poster, a brief verbal explanation of the poster content or topic

PROJECT EXPO (Team @ Two or Three participants)

Innovative solutions for a changing tomorrow and a better world. Prove the real innovator in you by showcasing your project at the expo.

TECH WRINGER (Team @ Two Participants)

This event can comprise of identification for different Construction components. The participants would have to design a particular Block or find the faults in the designed Blocks.

BUSINESS IDEATHON (Team @TWO Participants)

Showcase for speakers presenting great well- formed ideas. Within the time limit they have to tell about the device or scientist. Like Component Name Characteristics, advantages drawbacks

ACTIVITY REPORT

"ASIST 2K19"

15th September 2019

Target Group	: Students.
Details of Participants	: 240 Students
Co-coordinator(s)	: Dr. T. Elango & N. RamaKrishna
Organizing	: Department Mechanical Department
Venue	: Seminar Hall
Description	: ASIST 2K19 a state level tech fest organized by the Mech department in association with IEEE, GND Solutions, IETE. Number of students from various colleges participated in this event and enhanced their knowledge

(Paper presentation)

A paper presentation is an oral presentation reserved for completed projects for which results are reported as part of the presentation.

(Poster Presentation) (Team @ Two participants)

A poster presentation is a way to communicate your research or your understanding of a topic in a concise and visually engaging format. A poster presentation usually includes two elements: a poster, a brief verbal explanation of the poster content or topic

PROJECT EXPO (Team @Two or Three participants)

Innovative solutions for a changing tomorrow and a better world. Prove the real innovator in you by showcasing your project at the expo.

TECH WRINGER (Team @Two Participants)

This event can comprise of identification for different engine components. The participants would have to design a particular engine or find the faults in the designed engines.

BUSINESS IDEATHON (Team @TWO Participants)

Showcase for speakers presenting great well- formed ideas. Within the time limit they have to tell about the device or scientist. Like Component Name Characteristics, advantages drawbacks

ACTIVITY REPORT

"ASIST 2K18"

15th September 2018

Target Group	: Students.
Details of Participants	: 240 Students
Co-coordinator(s)	: Dr. D. Hema & K. Chandha Rao
Organizing	: Department ECE Department
Venue	: Seminar Hall
Description	: ASIST 2K18 a state level tech fest organized by the ECE department in association with IEEE, GND Solutions, IETE . Number of students from various colleges participated in this event and enhanced their knowledge

(Paper presentation)

A paper presentation is an oral presentation reserved for completed projects for which results are reported as part of the presentation.

(Poster Presentation) (Team @ Two participants)

A poster presentation is a way to communicate your research or your understanding of a topic in a concise and visually engaging format. A poster presentation usually includes two elements: a poster, a brief verbal explanation of the poster content or topic

PROJECT EXPO (Team @ Two or Three participants)

Innovative solutions for a changing tomorrow and a better world. Prove the real innovator in you by showcasing your project at the expo.

TECH WRINGER (Team @ Two Participants)

This event can comprise of identification for different electronic components. The participants would have to design a particular circuit or find the faults in the designed circuits on the breadboard

BUSINESS IDEATHON (Team @TWO Participants)

Showcase for speakers presenting great well- formed ideas. Within the time limit they have to tell about the device or scientist. Like Component Name Characteristics, advantages drawbacks
