the four semesters (ie. I to IV semester) was presented and placed before the board for their opinion and approval.

**Resolution:** The BoS went through the syllabus and discussed in length about various aspects of the syllabus. After incorporation of the changes suggested by the members of BoS, the four semesters for M.Tech was approved.

### **Agenda-2: To prepare the panel of examiners for the Civil Engineering.**

The Chairman presented the proposed panel of examiners pertaining to I to IV semester Civil Engineering examination 2025-2026.

**Resolution:** After incorporating of certain changes suggested by the members, the panel of examiners was approved.

### **Agenda 3: Suggestions of research activities carried out in the department.**

The Chairman asked the board members for research activities carried out in the department. The board suggested following points to be implemented:

1. Conduct regular research orientation sessions to all faculty members and meritorious students to create awareness among them.
2. Encourage students and faculty to publish papers in reputed journals / conferences. It is also suggested that, to provide incentive for the faculty who published in reputed journals.

### **Agenda 4: Suggestions or coordination of extension activities in the department.**

Dr.Harthiram, Professor & Head, Dept of Civil Engineering, KLR Engineering College, briefed the members about the need of extension work and workshops which are to be conducted in the department.,

Dr.Lingeswaran Assistant Professor Suggested the following points

- Conduct at least two workshops per semester on advanced technologies or latest trends.
- Conduct quizzes, seminars, guest lectures to improve or impart extra knowledge amongst the students and faculty.

There being no other matter, the meeting was concluded with a vote of thanks to the chair.
