### **Functions:-**

- Closing the digital gap for students who have not yet benefited from the digital revolution and couldn't participate in the knowledge economy.
- Offering a comprehensive web and mobile platform with interactive e-content for all educational levels, from High School to University.
- Delivering a high-quality learning experience through multimedia, available at any time and from anywhere.
- Establishing an advanced system for easy access, monitoring, and certification.
- Creating opportunities for peer interaction and discussion forums to address questions and concerns.

### **Roles And Responsibilities of SWAYAM:-**

- Develop SWAYAM Platform for collaborative education with expertise from various fields and advanced pedagogy/technology.
- Procure necessary resources for the smooth operation of SWAYAM.
- Transform India's education outcomes by expanding access to quality education cost-effectively.
- Offer a wide range of free online courses from Class IX to Post Graduate levels, with a small certification fee.
- Host 10,000 online courses for 30 million learners.
- Create e-content for courses from School Secondary level to Post Graduation.
- Develop interdisciplinary courses for self-paced learning, including Yoga, GST, Economic Survey, etc.
- Offer curriculum-based courses in new disciplines.
- Focus on making students employable in the industry or prepared for higher education.
- Embrace technology-based online learning for flexible, accessible education.
- SWAYAM brings together education and technology partners for knowledge sharing and democratizing education in India.

## Minutes of Meeting of SWAYAM Committee

The chairman initiated the proceedings with a warm welcome to all the member's present detailed discussion on the agenda items was taken up one by one.

### **Encourage the students to perform in SWAYAM subjects for the student benefit**

The Committee reviewed about the subjects that are going to open for the 2025-2026 academic year sem I in SWAYAM. And how to encourage the students to register for swayam course

### **Completion of different courses belong to cse department for non cse branch students**

The chairman of the committee suggested that students of non cse braches like civil , EEE , Mech can do their open elective subjects in cse branch in swayam then they can get job in software side . And as per AICTE guide if student can get 21 credits in any of the branch then they will get minor degree in that branch so this will help the students to get minor degree in cse.

### **Any other matter**

The chairman directed to the members of the committee to keep ready the students for the better performance in swayam.

The meeting , concluded with the vote of thanks to the principal
